REMINDEES

The second book required for summer reading should be completed by **September 6th**. Students will be assigned an in-school project for that book. It will be helpful if they have a copy of their book at school at that time.

Remember to read each day to meet your **first quarter AR goal**.

Students will be bringing home some of their graded work in a red folder each Tuesday. Please **sign** the signature page and help your student **return the papers and folder the next day**.

Watch for information coming home this week about our **Fundrais** fund raising opportunity.

Friday, August 30th is a themed "spirit wear" day. Dress in **red, white, and blue** if you can. We will have a pep rally that morning so be ready to let fourth grade voices be heard as we cheer on our Warrior athletes!

Monday, September 2nd

holiday.
