<p>1. Purpose</p>	<p>The Board supports use of the computers, Internet and other network resources in the district's instructional and operational programs in order to facilitate learning, teaching and daily operations through interpersonal communications and access to information, research and collaboration.</p> <p>The district provides students, staff and other authorized individuals with access to the district's computers, electronic communication systems and network, which includes Internet access, whether wired or wireless, or by any other means.</p> <p>For instructional purposes, the use of network facilities shall be consistent with the curriculum adopted by the district as well as the varied instructional needs, learning styles, abilities, and developmental levels of students.</p>
<p>2. Definitions</p> <p>18 U.S.C. Sec. 2256</p>	<p>The term child pornography is defined under both federal and state law.</p> <p>Child pornography - under federal law, is any visual depiction, including any photograph, film, video, picture, or computer or computer-generated image or picture, whether made or produced by electronic, mechanical, or other means, of sexually explicit conduct, where:</p> <ol style="list-style-type: none"> 1. The production of such visual depiction involves the use of a minor engaging in sexually explicit conduct; 2. Such visual depiction is a digital image, computer image, or computer-generated image that is, or is indistinguishable from, that of a minor engaging in sexually explicit conduct; or 3. Such visual depiction has been created, adapted, or modified to appear that an identifiable minor is engaging in sexually explicit conduct.

<p>18 Pa. C.S.A. Sec. 6312</p>	<p>Child pornography - under state law, is any book, magazine, pamphlet, slide, photograph, film, videotape, computer depiction or other material depicting a child under the age of eighteen (18) years engaging in a prohibited sexual act or in the simulation of such act.</p> <p>The term harmful to minors is defined under both federal and state law.</p>
<p>20 U.S.C. Sec. 6777 47 U.S.C. Sec. 254</p>	<p>Harmful to minors - under federal law, is any picture, image, graphic image file or other visual depiction that:</p> <ol style="list-style-type: none"> 1. Taken as a whole, with respect to minors, appeals to a prurient interest in nudity, sex or excretion; 2. Depicts, describes or represents in a patently offensive way with respect to what is suitable for minors, an actual or simulated sexual act or sexual contact, actual or simulated normal or perverted sexual acts, or lewd exhibition of the genitals; and 3. Taken as a whole lacks serious literary, artistic, political or scientific value as to minors
<p>18 Pa. C.S.A. Sec. 5903</p>	<p>Harmful to minors - under state law, is any depiction or representation in whatever form, of nudity, sexual conduct, sexual excitement, or sadomasochistic abuse, when it:</p> <ol style="list-style-type: none"> 1. Predominantly appeals to the prurient, shameful, or morbid interest of minors; 2. Is patently offensive to prevailing standards in the adult community as a whole with respect to what is suitable for minors; and 3. Taken as a whole lacks serious literary, artistic, political, educational or scientific value for minors.
<p>18 Pa. C.S.A. Sec. 5903</p>	<p>Obscene - any material or performance, if:</p> <ol style="list-style-type: none"> 1. The average person applying contemporary community standards would find that the subject matter taken as a whole appeals to the prurient interest; 2. The subject matter depicts or describes in a patently offensive way, sexual conduct described in the law to be obscene; and 3. The subject matter, taken as a whole, lacks serious literary, artistic, political, educational or scientific value.

47 U.S.C. Sec. 254	Technology protection measure - a specific technology that blocks or filters Internet access to visual depictions that are obscene, child pornography or harmful to minors.
3. Authority	The availability of access to electronic information does not imply endorsement by the district of the content, nor does the district guarantee the accuracy of information received. The district shall not be responsible for any information that may be lost, damaged or unavailable when using the network or for any information that is retrieved via the Internet.
Pol. 218,233,317	<p>The Board declares that computer and network use is a privilege, not a right. The district's computer and network resources are the property of the district. Users shall have no expectation of privacy in anything they create, store, send, delete, receive or display on or over the district's Internet, computers or network resources, including personal files or any use of the district's Internet, computers or network resources. The district reserves the right to monitor, track, and log network access and use; monitor filespace utilization by district users; or deny access to prevent unauthorized, inappropriate or illegal activity and may revoke access privileges and/or administer appropriate disciplinary action. The district shall cooperate to the extent legally required with the Internet Service Provider (ISP), local, state and federal officials in any investigation concerning or related to the misuse of the district's Internet, computers and network resources.</p> <p>The Board requires all users to fully comply with this policy and to immediately report any violations or suspicious activities to the Superintendent or designee.</p>
47 U.S.C. <p>24 P.S. Sec. 4604 20 U.S.C. Sec. 6777 47 U.S.C. Sec. 254</p>	<p>The district reserves the right to restrict access to any Internet sites or functions it deems inappropriate through established Board policy, or the use of software and/or online server blocking. Specifically, the district operates and enforces a technology protection measure(s) that blocks or filters access to inappropriate matter by minors on its computers used and accessible to adults and students. The technology protection measure shall be enforced during use of computers with Internet access.</p>
<p>24 P.S. Sec. 4604</p>	<p>Upon request by students or staff, the Superintendent or designee shall expedite a review and may authorize the disabling of Internet blocking/filtering software to enable access to material that is blocked through technology protection measures but is not prohibited by this policy.</p>
<p>24 P.S. Sec. 4610 20 U.S.C. Sec. 6777</p>	<p>Upon request by students or staff, building administrators may authorize the temporary disabling of Internet blocking/filtering software to enable access for bona fide research or for other lawful purposes. Written permission from the parent/guardian is required prior to disabling Internet blocking/filtering software for a student's use. If a request for temporary disabling of Internet blocking/filtering software is denied, the requesting student or staff member may appeal the denial to the Superintendent or designee for expedited review.</p>
<p>4. Guidelines</p>	<p>Network accounts shall be used only by the authorized owner of the account for its authorized purpose. All communications and information accessible via the network should be assumed to be private property and shall not be disclosed. Network users shall respect the privacy of other users on the system.</p>
<p>P.L. 106-554 Sec. 1732</p>	<p>Internet safety measures shall effectively address the following:</p> <ol style="list-style-type: none"> 1. Control of access by minors to inappropriate matter on the Internet and World Wide Web. 2.
