

# Breckinridge County High School

## 2019 Accountability Results

The 2019 Kentucky Performance Rating for Educational Progress (KPREP) Results have been released today. BCCHS scored well enough to be rated as a three star school on a five star scale. BCCHS KPREP results for the 2019 school year may be accessed at the following web address <http://www.kyschoolreportcard.com>.

BCCHS was rated medium in proficiency. Proficiency is defined as reaching the desired level of knowledge and skills as measured on state-required academic assessments. It is designed to measure how students achieve on Kentucky's Academic Standards in reading and mathematics.

BCCHS received a rating of high in Separate Academic. The Separate Academic Indicator is determined by reaching the desired level of knowledge and skills in science and writing in high school.

BCCHS received a rating of medium in Transition Readiness. To be transition ready, high school students must earn a high school diploma and meet one type of readiness (i.e., academic or career), while English learners must attain English language proficiency.

BCCHS received a rating of low in Graduation Rate. Graduation rate is the percentage of students earning a high school diploma in four and five years compared to the group of students that began in high school in grade 9. Kentucky's graduation rate indicator averages the four- and five-year rates. The calculation is based on the student's final enrollment.

We are extremely proud of our students and want to thank you, the BCCHS learning community, for supporting our students and leaders each day.

Adam Cox, BCCHS Principal
