

Good evening parents and students of the Randolph County School System,

This is Stephen Gainey. Due to several questions that have arisen in the past few hours, I want to remind all parents and students about the school system's plan for Monday (10/12/20). At the Board of Education meeting on 8/17/20, the "Remote Instruction Day" for all students originally scheduled for Monday (10/12/20) was moved to Wednesday (10/14/20). As a result, Monday (10/12/20) is a regular school day for all "A Day" students. Furthermore, Monday (10/12/20) is a regular remote instruction day for all "B Day" students and students engaged in 100% remote instruction.

In addition, please note that the school system's revised calendar is posted on the school system's webpage for your reference.

This message also will be posted on the homepage of the school system's webpage for your reference.

I hope everyone has a great night!!!!
