Perry High Theatre Department Awarded Flint Full STEAM Ahead Grant

HOUSTON COUNTY, GA - The Perry High Theatre Department received a \$2,500 Full STEAM Ahead grant April 16, 2021. The grant will fund a project designed to include puppets in classroom lessons.

Joe Sendek, Perry High Theatre Director, applied for this grant. Sendek remarked, “We are incredibly excited to begin work on this project. With Flint’s generous support, we look forward to bringing the magic of puppetry into classrooms!”

The Full STEAM Ahead grant is sponsored by the Flint Energies Foundation and Flint

Energies. This program distributes \$2,500 grants to Pre-K-12 schools which have developed a creative project that energizes learning in the areas of science, technology, engineering, arts and/or mathematics (STEAM). The projects must benefit at least 60% of the school’s student population. A panel of judges rank entries based on innovative and educational STEAM plans to benefit students and the school as a whole.

Perry High School is located at 1307 North Avenue in Perry. Wesley “Del” Martin serves as the Perry High principal.
