

ADMISSIONS

East Rankin Academy endeavors to offer with a Christian perspective a college-preparatory curriculum and extracurricular activities. The school seeks to accept students who want a Christian education and whose parents want them to have a Christian education. Both parents and students should fully understand the Christian emphasis, and both should agree to support this endeavor at East Rankin Academy. At every level from kindergarten to high school, ERA seeks to provide a solid academic education that gives a firm foundation for lifelong learning.
