Sherry Ann Mongiovi, new Pre-school teacher at St. John Of God

Sherry is one of our newest teachers in the St. John of God/ADS family. She has been working at SJOG/ADS since January, opening up the new pre-school classroom. Sherry has been working with families and children for over 25 years and loves working at Archbishop Damiano School. She said that everyone has been welcoming and helpful; and she loves working with the students and their parents. "Every day is different, and I learn something new every day" Sherry said.

I'm a Gen-Xer so I love the movies and music of that time. Some of the movies I can watch over and over are: Field of Dreams, The Breakfast Club, Ferris Bueller's Day Off, and When Harry Met Sally. I love to dance and sing, even though I am not very good at it, LOL.

Sherry is a mom of 3 sons, 18, 19 and 23. Her newest hobby is training for a sprint (small) triathlon. It's something, "I have never done before so I am going out of my comfort zone and challenging myself to finish this race", Sherry said in her email.

We wish you all the best of luck, Sherry!

**Around Town with  
CBI**

Jackie in CBI would like to share with us how to stay germ free when we go out with this helpful recipe for home made sanitizer!

**What you'll need:**

- 3/4 cup of isopropyl or rubbing alcohol (99 percent)
- 1/4 cup of aloe vera gel (to help keep your hands smooth and to counteract the harshness of alcohol)
- 10 drops of essential oil, such as lavender oil, or you can use lemon juice instead

**Directions:**

- Pour all ingredients into a bowl, ideally one with a pouring spout like a glass measuring container.
  - Mix with a spoon and then beat with a whisk to turn the sanitizer into a gel.
- Pour the ingredients into an empty bottle for easy use, and label it "hand sanitizer."

**Local Sports**

with Ryan and

NFL: The NFL Draft will take place on April 23-25.

NHL: The NHL is looking into finding a single remote stadium to do the playoffs.

NBA: The NBA is having players from each team play in a virtual tournament in lieu of no actual basketball.

MLB: The MLB is trying to come up with a plan to begin the season in may in Arizona.

### How's it Growing with Horticulture?

Our ADS peach orchard, planted after our Early Childhood students heard a special author's reading of "Ruby's Peaches" last fall, is now in full bloom. They are beautiful!

### Angelica and Amira's Awesome Movies

Onward is the newest movie from the Pixar studios. Two brothers, voiced by Tom Holland and Chris Pratt, go on a quest to try and bring their father back for one day. Set in a fantasy world that has forgotten magic, the two brothers go on a journey to spend one last day with their father, who died when the boys were too young to remember him. Like most Pixar movies it will hit you with all the "feels" when you least expect it. Onward was released in theaters March 6, 2020; but is now available for at home viewing.

### 2020 Graduate Recipes

Over the next few newspapers we would like to feature some favorite recipes of our 2020 graduates.

Something that our graduates enjoy or that their families make for them at home. Kana loves anything sweet and anything chocolate. Some of his favorite things to eat at home are chocolate pudding and chocolate chip cookie dough ice cream!

This month we are featuring Kana's Easy Chocolate Mousse Pudding recipe:

Note- You can use any flavor of Sugar Free Jell-O Instant Pudding to make it a sugar free recipe.

Ingredients:

Heavy Whipping Cream, Sugar Free Jell-O Instant Chocolate Fudge Pudding

Instructions:

1. Make the instant pudding according to the package directions, only substitute heavy whipping cream for the milk.
2. Use a hand mixer to combine the two, place the mixture in the fridge for a few minutes to thicken it up, then continue using the hand mixer to get it to a thick and fluffy consistency.

You can even freeze it to make your own homemade pudding popsicle.
