### Acknowledgement of Concussion Policy and Concussion Information Sheet

Dear Parent or Guardian:

By signing below, you affirm that you have read and understand the Concussion Information Sheet given to you by Bamberg School District One. You also understand that by participating in athletics at any school within Bamberg School District One, your son/daughter is at risk for sustaining a concussion and that a concussion can lead to life-altering or life-threatening circumstances.

You understand that it is the policy of Bamberg School District One to remove any athlete with suspected concussion symptoms from practice or competition to be evaluated by a medical professional trained in concussion evaluation. The athlete will not be allowed to return to play until he/she has written clearance from a physician and is able to pass physical and cognitive testing.

You also understand that concussions affect people differently and recovery time is unpredictable. Any athlete who sustains a concussion will not be allowed to participate until they have fully recovered from the concussion and have no physical or cognitive symptoms.

Please keep the attached Concussion Information Sheet as a reference and only sign and submit this form to the Head Coach. If you have additional questions, please call Robert Williams at 803-245-3030 ext. 1265.
