

GREYHOUND WEIGHT ROOM MAINTENANCE

BRICK PROJECT

Please help us by **BUYING A BRICK** in the weight room to help offset the cost of upkeep of the equipment and the purchase of new equipment needed.

HERE IS HOW THIS WORKS: You purchase a brick in the weight room at a cost of **\$50** for a full brick or **\$30** for a half brick.* The brick will be yours for ten years (from date of purchase). You will be given the opportunity to re-buy the brick after ten years have passed. Your brick will be personalized with a message of your choice and displayed on a brick in the weight room in cut vinyl lettering. Some options include:

\$50 for a full brick	THE WILSON FAMILY ALEX, CARRIE, DOUG, AND KATE
------------------------------	---

\$30 for a half brick	THE MILLER FAMILY
------------------------------	--------------------------

* Message must be three lines or less and not exceed 19 characters per line for a full brick or 8 characters for a half brick (punctuation and spaces included). Typeface to be determined.

All proceeds from the bricks will go directly into an account to help with upkeep of the present weight room.

If you have any questions or concerns please contact either Eric Foust (eric.foust@ship.k12.pa.us) or Chris Debias (christopher.debias@ship.k12.pa.us).
