This summer, children can enjoy lunches at no charge through the Summer Food Service Program, a federally funded nutrition program open to all kids aged 1-18 years. No applications are necessary to drop in and all children and teens are welcome. The Summer Food Service Program makes sure all children can eat healthy food during the summer months when they cannot eat at school.

USDA has granted a waiver to the Oregon Department of Education so the Seaside School District can provide a grab-n-go meal service (breakfast and lunch) due to the COVID-19 pandemic. Meals are served at a designated site and children and/or an authorized adult may pick up meals for consumption off site. **Only one grab-n-go meal is allowable per child; however, an authorized adult may request additional meals for children that were unable to come to the delivery location.**
