DISPOSITION OF PROPERTY

The Ventnor City Board of Education believes that the efficient administration of the district requires the disposition of property and goods no longer necessary for the maintenance of the education program or the operation of the school district.

The Board directs the periodic review of all district property and authorizes the disposition by sale, donation or discard of any property not required for school purposes.

The Superintendent shall develop rules for the disposition of district property and for the review of the continued usefulness of all property. Rules for the disposition of property shall insure that all sales and donations are conducted in a fair and open manner consistent with the public interest.
