Page Elected to Ga. Science Teachers Association Board of Directors

HOUSTON COUNTY, GA – Dr. Nicole Page, Houston County School District Instructional Coach for Science, grades 6-12, was elected to serve on the Georgia Science Teachers Association (GSTA) Board of Directors as president-elect. Dr. Page will assume her duties on April 24, 2021.

Dr. Page commented, “I am excited about the opportunity to work with other science education teachers, leaders and advocates from across the state. It will be an honor to support science teaching and learning while serving on the GSTA Board as president-elect.”

After serving as president-elect during her first year, she will assume the duties of president in April 2022. Her third year on the GSTA Board will be as executive director. The organization holds annual elections to select board members.

GSTA is committed to supporting excellence in science teaching for the students of Georgia. The organization works to connect, inform, support and advocate for the state’s science teachers. More than 2,000 K-12 science teachers, pre-service teachers, higher education faculty and education leaders are GSTA members.

Dr. Page has been with the Houston County School District for 24 years. For more information, please contact her at Nicole.Page@hcbe.net. To learn more about GSTA, please visit georgiascienceteacher.org/.
