FALCONS NEWSLETTER

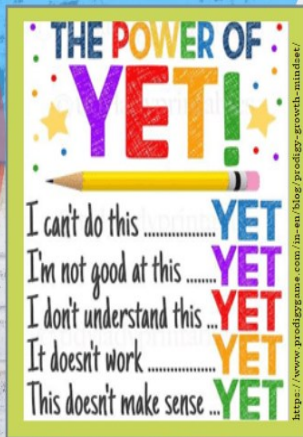

counselor corner

-Ms. Martin
NES School Counselor

Parents,

Talk to your child about the importance of trying their best in school. Here are some statements to help your child understand they are always capable of learning something new, even though it seems difficult:

- Mistakes allow me to learn.
- I don't understand this, YET!
- When I struggle, my brain grows.
- I can do hard things.

Our Mission

To create respectful, high-achieving students.

Our Vision

To provide a safe learning community where students are successful.

Our future is so **bright**

We wear our  shades

And our best

Help us Celebrate our 80th day of School by wearing your favorite 80's Fashion!!!

Mr. Sams

WELCOME

Northside
ELEMENTARY SCHOOL

Principals Corner

Dear Falcon Family,

Happy holidays! This is a wonderful time of year, but also very busy and so can be stressful. As the adults begin preparing for the excitement of the holidays, children can also feel the stress and exhaustion brought on by this busyness. Please continue to support your child in his/her school success by making sure your child has a quiet area and a consistent time to read and complete their homework. Also ensuring a bed time is maintained at a reasonable hour. Adequate sleep supports learning, brain development, concentration, and mood and so directly affects children's success at school!

Colder weather also sometimes means more illnesses at school. As a reminder, any medication that you send to school must be brought by an adult to our Med-Tech, Mrs. Sommer Bostick. If the medication is prescription medication, it must be accompanied by the physician's written orders on how it is to be dispensed. We cannot dispense any medication that is not accompanied with a doctor's orders. Even cough drops must be sent to the school Med-Tech and can only be administered to a child by the Med-Tech. Thank you for your cooperation in helping us ensure the safety of our students!

Mr. Sams

- When picking up students in the office please bring your ID. We ID at dismissal for the safety of the children.

- Anyone picking a student up **MUST** be on the **Gold card** in the office.

- Transportation changes **CANNOT** be made over the phone.

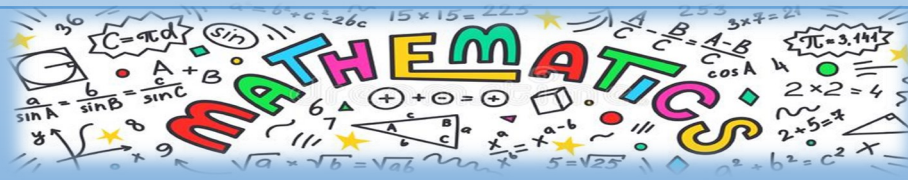

- No dismissals from the office between **3:15-3:45**
- The office staff cannot call your student to the office until you arrive at the school.
- It's important students arrive on time to school.
- Have students ready with all their items and special goodbyes when dropped off thru the drop off line.

Amazing Artists

We are so proud of Brianna Glover! Her fall landscape got selected to be in this year's Houston County Calendar. She is a 4th Grade student in Mrs. Ross's homeroom and can't wait to see all the incredible things she will create this year!!!

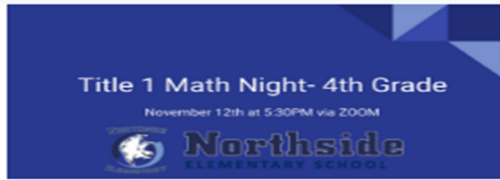

Skylor Brown is a kindergarten student in Mrs. Richardson's class. She has been able to make some Fantastic Fall Art! Skylor is always excited to come to Art class and has been so successful in everything that she creates! I can't wait to see more of her Creativity!

Our 4th grade Math Night was amazing!!!
It isn't too late to learn the techniques that are being taught.

NES Celebrates Veterans Day

Northside Elementary School celebrated Veterans Day by participating in a military picture project. NES families sent pictures of service men and women who are members of our NES family. These photographs were printed and placed in our front hallway to honor our military families. A video was made of our Veterans Project to share with our families on social media and on Class Dojo. Each classroom received a copy of the video so that all students could see the Veterans Day project.

If you'd like to see the Veteran's Day video, click the following link.

<https://nes.hcbe.net/>

NOTES

*Due to the Safety Policies students are only allowed to bring snacks for the entire class that is individually wrapped (example: Little Debbie treats, Rice Krispy Treats). Our first priority is the safety of the children. Please be aware that you will need to let the teachers know when you are planning on sending

items in for the class.

*Continue sending water with your student since the water fountains are not in use.

*Our Cafeteria is now selling snacks for the students as they go through the line to receive their lunch.
