

Hawkins County Schools Online Platform for Kindergarten Registration Opens April 17.

The Hawkins County School District is opening online registration for kindergarten beginning April 17, 2020.

The online system allows parents to log in from home to Skyward online platform via Hawkins County Schools website instead of handwriting information on a pile of paper forms in a school office.

Skyward will open April 17, 2020 for parents of children who will begin kindergarten in the 2020-21 school year (must be born on or before August 15, 2015). Online registration systems will go live at a later date for pre-registering Pre-K students.

Through the user-friendly online process that takes about 15 to 20 minutes, parents enter their own identification information, such as emergency contact names and numbers, which increases accuracy and eliminates redundancy.

After entering all their information online into our secure system, the [required documents](#) can then be uploaded. If you do not have access to a scanner follow these directions ([iPhone](#) or [android](#)) to scan a document on your phone. If you do not have access to the required documents at this time, please continue to fill out the online registration and the documents can be uploaded at a later date.

Each school will contact its new families with information about a “first visit” for students before school starts.

Want to get ready now for when the Kindergarten Registration Skyward platform opens? Click on the links below for easy instructions, helpful hints and a list of the legally required documents.

Online Skyward registration: helpful hints and FAQ can be found [here](#).

List of Legally Required Documents Needed for Enrollment can be found [here](#).

Who can I contact if I need help?

Please contact the [principal or data clerk](#) of the school your child will attend for help with questions about: general enrollment information, legally required documents, or other questions. If you have a question in regard to technical help with Skyward Online Enrollment, please email the school data clerk.
