We are hoping to return to our regular schedule on January 11, 2021, however, staffing may be in issue due to COVID-19 recommendations and guidelines. In order to continue to provide a face-to-face delivery model, the Frazier School District is seeking individuals for temporary placements as Classroom Monitors to assist with in-classroom instruction. Classroom Monitors shall assist a teacher who is working remotely by providing in-person classroom oversight during the instructional period. The Classroom Monitor has no teaching responsibilities, but will be responsible to ensure the students remain on task during the instructional period. The Classroom Monitor will also provide direction and assistance to students in the event of an emergency, and may also be responsible for basic administrative tasks to support the teacher's daily instruction needs.

If interested, please contact Doreen Smith for more information at 724-736-9507x116. Thank you for your continued support. A copy of the job description as well as the documentation needed to apply is attached.

Sincerely,

William R. Henderson III
