NEW BRIGHTON ATHLETICS UPDATE

September 16, 2020

At this time, as per Governor Wolfe's order, we are limited in terms of spectators for fall sporting events. To comply with this order, we are allowed a 25-person limit for indoor events and a 250-person limit for outdoor events. We will handle athletic events in this manner:

Indoor Events

Girls' Volleyball – Two game tickets will be distributed to each New Brighton student-athlete. Attendees must have a mask on to enter. Masks are required at all times. Spectators may sit with their immediate family but are required to sit socially distanced throughout the bleachers from all other spectators. The games will continue to be live streamed.

Middle School Girls' Basketball - No spectators (game will be live streamed)

Outdoor Events

Soccer, Cross Country, JV Football, and Middle School Football – Families are welcome to attend. Attendees must have a mask on to enter. Masks are required at all times.

Varsity Football – Two game tickets will be distributed to each member of the New Brighton Football team, Band, Lionettes, and Cheerleading team. Attendees must have a mask on to enter. Masks are required at all times. Spectators may sit with their immediate family but are required to sit socially distanced throughout the bleachers from all other spectators. The games will continue to be live streamed.

Note: The New Brighton Police Department will block off the 1st Street end zone for New Brighton families and spectators to watch the game. We will also livestream the games.
