Dr. Amanda Jones, Principal

Parents,

During the months of October and November, I will be teaching the State of Alabama mandated Personal Safety Curriculum. The curriculum will be presented through discussions, PowerPoint presentations, video, and hand-outs. Curriculum topics include:

- Your Body Belongs To You
- Good Touch/Bad Touch
- Don't Hide Abuse
- What to do with a bad touch
- Good Secrets/Bad Secrets
- Assertiveness
- Support Systems
- Safety Rules
- Tattling vs. Reporting
- Netiquette
- Internet Safety

These sensitive topics are addressed on a child-friendly level, and each homeroom teacher remains in the classroom during Personal Safety Curriculum lessons. If you have any questions or concerns, please contact me.

Thank you,

Paul Simmons
