## "HEY GUY/HAGGAI!" BY PASTOR SETH

"Hey guy!" Now...that is often how folks get my attention in the community, but, more importantly, this is how you commonly pronounce Haggai - the book of the Bible that we'll be studying for most of the Sundays in January. Saying, "Hey guy" is a way to bring attention to the themes that you'll find in this book as well. God is calling for renewal in three main aspects of the life of His people as

He says, "Hey guys – pay attention!" Pay attention that you should have your worship, faith, and very selves – renewed!

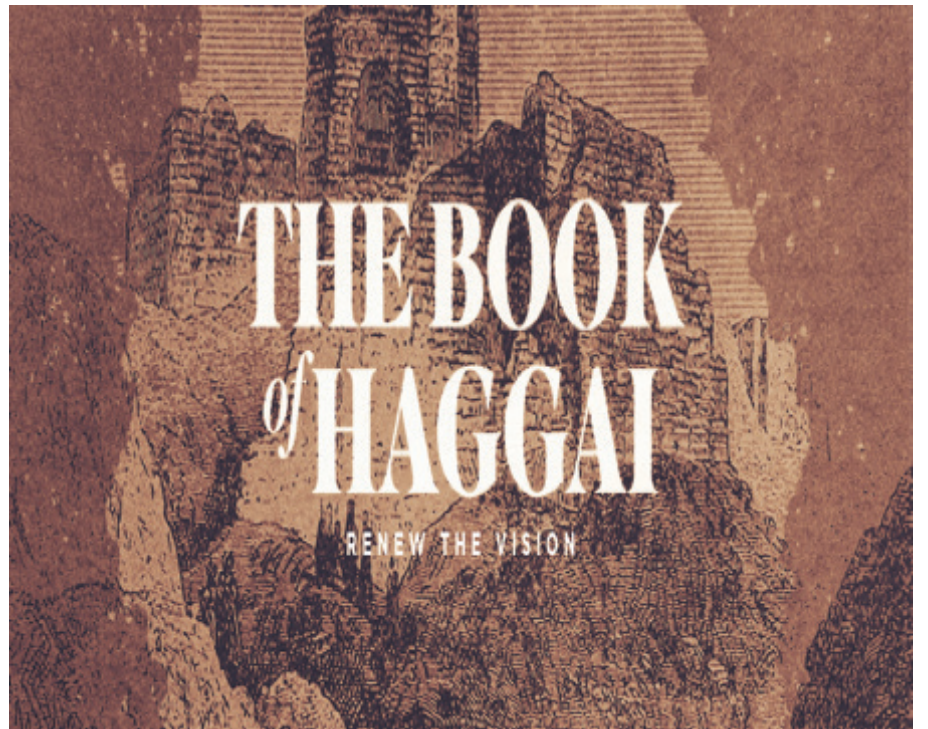

As the story of Haggai begins, we find God's people coming out of captivity. They had all been forcibly removed from their homes and relocated to Babylon by the Babylonian Empire. In Babylon they would have been exposed to Marduk worship. Marduk was also referred to later as Bel (or as you might have heard in previous Biblical stories, "Ba'al"). Both Marduk and Ba'al were gods of thunder and lightning, rain and, subsequently, fertility. There were religious acts which people were called upon to trigger Marduk/Ba'al to make their land fertile. These acts would have been required participation for the Israelites as occupants in that foreign land - at the minimum to observe and at the most common to participate. Israel as a people were taken out of their country for worshipping other gods. Many, with a few Biblical exceptions, willingly continued this practice while they were in Babylon.

The good news for the Israelites was that despite their infidelities, the one true God, Yahweh, was not unfaithful in His promises to them. God had orchestrated history to have the Persians defeat the Babylonians. The Persians then allowed God's people to head back to the Promised Land, led and governed by Zerubbabel. However, even after they settled back in their homeland of Israel—do you think out of thankfulness for their release, that they would reconstruct the temple that was destroyed by the Babylonians so they could worship that one true God, Yahweh, as a people?

Do you think God's people turned back to praise the one true God, Yahweh as their deliverer? Do you think they personally began to turn and repent for their unfaithfulness? Nope, nope, and Nope. So, God called on them to renew their worship and begin working on the temple – not because God needed it, but the people did as a sign that their focus was back on Yahweh. After this extended time being away from the Lord, they needed to have their worship, faith, and their very selves renewed by Yahweh the one true God.

So, there is the history lesson, it was good for THOSE people to learn 2500 years ago, right? What can I learn from an old dusty story involving gods I might have never heard of until this article? Maybe as we begin this new year, we should take a look back at what held our faithfulness from the Lord.

Perhaps this little (but strong) book is a good reminder for us to have our worship, faith, and very selves renewed by Yahweh the one true God in the person and work of Jesus our Savior and deliverer as well. Or in other words, perhaps, we could all use a "Hey guys!" moment as well!

THE BOOK OF

# HAGGAI

This three-week series explores the theme of true worship in Haggai. By calling the Hebrew people to rebuild the temple, God led them in a renewal of the heart. In the same way, when God calls us to consider our own actions and how they impact our worship, He will lead to a renewal of our hearts.

## 2020 MANITOWOC MEN'S RETREAT

Mark your calendars for the 20th annual Manitowoc Men's Retreat on March 6-8, 2020 at the Holiday Inn in Manitowoc. This retreat draws men from over 20 different congregations and is a great fellowship opportunity. Registration forms are available at the Welcome Centers.

This year's retreat will be centered on the book, "Don't Give Up" written by Pastor Kyle Idleman. As a pastor, Kyle Idleman tells us that he has had so many conversations with people who were struggling. Across the board, what they seemed to need to hear was "Don't give up." Our lives are minefields of challenges that take their toll on our courage, our conviction, and even our faith.
