July 1, 2020

Dear 8th-grade families:

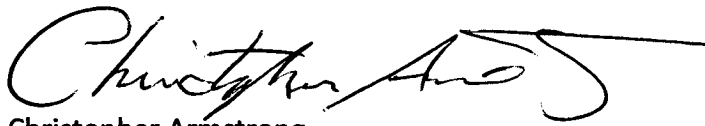

I hope this letter finds you well and in good health and good spirits. We will hold the graduation on July 8, 2020, at 6:00 pm on the backfield at Margaret Mace School. As I have said before, this graduation will be very different than we have done in the past due to current guidelines and restrictions. I do not foresee these guidelines changing before our event on July 8. I have included some updated information for families that we will be following during our graduation.

- All families are asked to enter on 13 Ave. side of the field
- Students will line up on the walking track and will walk in as part of the start of the ceremony
- Graduates will sit with their families and not on stage.
- Each graduate will be limited to four guests.
- Restrooms will not be available for public use.
- All attendees at the gathering are required to remain six feet apart from other attendees at all times, excluding immediate family members and household members.
- There will be a contactless pickup of awards and diplomas. There will be no shaking of hands or other contact between school officials and graduates.
- Speakers will be limited based on the availability of microphones. There will be no sharing of microphones.
- Wearing of facemasks are encouraged.

- Individuals who are not feeling well at the time of graduation are asked to stay at home.
- There will be no group photos.
- When the event has ended, all families are required to maintain social distancing and leave the facilities shortly after the event.

I look forward to seeing our 8<sup>th</sup>-grade class and family members on July 8. Until then, stay well.

Sincerely,
