The minutes of the February meeting were reviewed. Jodi Short then made a motion to approve the minutes. Michi Dunmon seconded the motion. The vote was unanimous and the motion carried.

The first order of business was the discussion of differentiated instruction in our building and how we are using DI to teach deeper questioning and higher level thinking skills. We have introduced Name and Claim sheets. This will help teachers identify students who are missing a particular skill so that we are able to pinpoint the work that needs to be done to make sure all students are successful. This all relates back to TKES and instruction. We want to bridge the gap between home and school.

Next year, we will need to make the following elections for school council:

- Parent/business 1 year
- Parent/business 2 year
- Teacher 1 year
- Teacher 2 year

Jodi Short made a motion to adjourn the meeting. Dr. Sonya Kiefer seconded the motion. The motion carried and the meeting was adjourned.

The next meeting is scheduled for 5/18/16
