7:30 a.m. to 8:00 a.m.

NO APPOINTMENT IS NECESSARY-SHOW UP and BRING YOUR SCHOOLWORK

Successful interventions to school success are multi-leveled and tutoring provides students with additional support. Students learn academic basics, as well as self-management skills such as goal-setting, responsibility and the motivation to succeed.

Although parent support is important, at the secondary level students should assume responsibility for their own work completion if they are to be prepared for college or the world-of-work.
