

MCPSS Hotspot Instructions

1. Press and hold the power button.
2. Press the menu key on the top right of the device. Continue to press until you see the 2.4g WiFi info.
3. Press the power button to select.
4. Your password is next to the LOCK icon.
5. Select the Moxee hotspot on your device and enter the password.

Please save the hotspot box so you can place your hotspot back in it for return to the school
