Attendance

- If a student is going to miss an online meeting, a parent needs to send the teacher and the school office (Vickie Krueger vkrueger@gomlc.org) an email explaining why by 8:00 AM that day. This can also be done over the phone. If no communication is received, the absence will be considered unexcused.
- Students who are sick should try to listen in on their online meeting.
- Missed meetings will be reflected in the student's class participation grade.
- Students should be alert, ready for class, and visible during Google Meets.
- Students (and parents) are encouraged to email their teachers with any questions.
- Students can always request (by email) to set up a Google Meet with their teachers to discuss school related issues.
- Teachers are available for in-person meetings on a very limited basis (Please see the schedule for individual meetings with 7th-12th grade students.)
