REQUEST FOR OVERTIME/EXTENDED TIME

Employee Name _____

Date for which overtime/extended time is requested _____

Approximate number of hours requested _____

Explain work that will be done during this time _____

I understand that I must have the written approval of my principal/supervisor before I perform work outside of my regularly scheduled work hours. If extra work does not extend my total hours actually worked beyond 40 hours, I will be paid my regularly hourly rate or be granted comp time at a "one-for-one" basis. For time actually worked above 40 hours in a week (Sunday through Saturday), I will be paid 1 ½ times my regular hourly rate or be granted comp time at a time and a half rate.

I also understand that overtime or extended time should be requested because there is a need for such work for the benefit of the school system and that it is not appropriate for me to request overtime or extended time for my benefit or convenience.

"Exempt" positions are not entitled to overtime pay or compensatory time. Exempt employees are those that meet one or more of the following criteria:

1. Executive, administrative and professional certified employees.
2. Non-certified employees (a) whose duties consist of the management of the enterprise in which they are employed; (b) who customarily direct the work of two or more employees; (c) who have the authority to hire or fire or whose suggestions and recommendations as to the hiring, firing, or other change of status decision for other employees will be give particular weight; and (d) who customarily and regularly exercise discretionary powers.
