The bids were opened on July 29, 2014.

Naughton Energy	\$2.8850	.200	\$3.0850	Did not meet Specifications
Superior Plus	\$2.9571	.2500	\$3.2071	Did not meet Specifications

Motion by Mrs. Degnan, second by Dr. Campenni, to accept the Awarding of Bids Report.

Exeter, PA.  
 September 23, 2014

On the Question: Mr. Yorina asked why they did not meet the specifications. Mr. Melone responded the bids were very specific and they were to provide a unit price as of July 1 which not all of them did. One used the date of July 25<sup>th</sup>, one used July 28<sup>th</sup> and one used June 30<sup>th</sup>. Button would have gotten the bid if they met the specs, so we had to go with Newell. Cindy Borzell, Wyoming, questioned the July 1<sup>st</sup> date. They weren't advertised until July 7th. Mr. Melone responded we asked them to quote for the new year what their price would be July 1<sup>st</sup>. Attorney Ferentino stated they didn't use July 1<sup>st</sup> as a base. Mr. Borzell also questioned that you have to give a certain date of what the price of oil is. Mr. Melone responded as evidence of backup that you submit. That is proof we are given the right date.

Roll Call: Mr. Bolin, yes, Mr. Stofko, yes, Mrs. Degnan, yes, Mr. Yorina, yes, Mrs. Farrell, yes, Mrs. Gober-Mangan, yes, Dr. Campenni, yes.

Motion passed.

Open Discussion:

- Mr. Joe McCabe, Exeter, asked if the board could send a letter to the family of Cpl. Bryon Dickson since he graduated from Wyoming Area, was in the Marines and went to Penn State. Mrs. Serino, Superintendent, responded she already sent a letter to the family.
- Mr. Robert Barhight questioned the ramp at Montgomery Avenue School. Attorney Ferentino responded our facilities director was not here this evening and stated there is a two step process in addressing concerns reviewed by the engineer and our facilities director. We retained some money from the sub contractor who did the work and we did corrective measures on the ramp. Mrs. Serino stated it wasn't anti skid material. Mr. Scarantino, Architect, will be at next month's meeting to answer questions. They were not happy with the first workings of that ramp and asked them to come back. Payment is being held until everything gets put into place that needs to be put into place. Also questioned were the Slocum children in Exeter being bussed to SJD. Mrs. Serino responded the class's were very low. This has been done before. Attorney Ferentino also stated the district is in the process of a feasibility study with projection and population, so this can change.
- Bob Borzell, Wyoming, questioned missing railings at the stadium and offered his services to weld them. Mrs. Serino responded some of the railings were stored and now some of them are missing. We're looking to see where they can be ordered from.
- Bob Trusavage, West Pittston, asked who was in charge of storing the railings. Mrs. Serino responded she would find out.
- Mr. Barhight stated that land in back of school by Pride parking lot is all holes. Mr. Yorina responded we could get a skidster, go down to airport road and gravel to get rocks to fill it in and level it out. Mrs. Serino will find out who owns that.
- Bob Trusavage, West Pittston, stated he was shot down by architects when he looked into a ramp for \$7,000. Mr. Trusavage stated the ramp will be difficult to fix.

With no further questions, the meeting was adjourned at 7:58 p.m. on a motion by Dr. Campenni, second by Mrs. Gober-Mangan.
