### Sec. 9.13. Contracts to Minority Companies.

As set forth in the charter application, the School will look for "opportunities to consummate contracts with a sizeable portion to minority companies."

If a school facility, or a portion of a school facility is destroyed, severely damaged, or experiences a major unforeseen operational or structural failure, and the Board determines that the delay posed by the contract methods required by this Policy would prevent or substantially impair the conduct of classes or other essential school activities, then contracts for the replacement or repair of the school facility, or portion of the school facility may be made by a method other than the methods required by this policy.

### Sec. 9.17. Change Orders.

(a) If a change in plans or specifications is necessary after the performance of a contract is begun or if it is necessary to decrease or increase the quantity of work to be performed or of materials, equipment, or supplies to be furnished, the Superintendent or designee has general authority to approve change orders making the changes.
