

All schools in Pottsville School District are fully accredited through the Arkansas Department of Education. ACT Readiness Levels/Subject Proficiency are as follows: District (English 86%, Math 68%, Science 59%, and Reading 57%). Building Focus for 2018-2019 based upon results: High School (Improve Readiness Level in Math); Junior High (Improve Readiness Level in Math); Middle Grades (Improve Readiness Level in Reading); and Elementary (Improve Readiness Level in Science). School leaders and teachers are analyzing the data to find out which students are not making their gains and developing teaching and learning strategies to help each student achieve.
