House meetings are 25-minute sessions scheduled monthly. Brief social, academic, and career exploration lessons are developed by the assistant principal and presented by house leaders during house meetings. Students in 7th and 8th grade must pass math, English Language Arts, science, social studies, physical education, enrichment, and one elective class in order to be promoted to the next grade. Any student who does not meet the promotion requirements will go before the Promotion and Retention Committee.

Students shall be candidates for retention if they have accumulated 20 or more unexcused absences per year. After a student has been absent for a total of 10 days, a professional excuse is required in order for the absence to be excused.

Promotion of any student in a special education program, with the exception of gifted students, must be based on: his/her accomplishments of goals stated in the IEP, an IEP team decision, or meeting regular program requirements.

Attendance

After an absence from school, the student must submit a note/excuse to the office within five (5) days of the student's return to school. Notes from the parent or guardian should state the specific reason for the absence and be signed by the parent or guardian. If the absence was due to a doctor's visit, court appearance, or other verifiable means deemed acceptable by administration, a professional excuse should be submitted to the office. Failure to bring a note/excuse results in an unexcused absence. If a student is present at school for half of the day or more, they will be counted as present for the day. If a student is to be absent from school for more than two consecutive days, we ask that the parents notify the school secretary. Following an absence, parents are encouraged to call the school to verify that their child has turned in an excuse for their absence.

Please refer to the District Handbook for information about tardies to school and checking out of school.

Chronic Absenteeism

Chronic absenteeism is defined by the state as missing 18 or more days of school for any reason – including excused or unexcused absences. Chronic absenteeism is factored into the school's overall report card that is issued by the state.

Make-Up Work

Uniform and Appearance

DRESS CODE

LANETT CITY BOARD OF EDUCATION Adopted: May 11, 2009 Amended: Sept. 14, 2009	School Uniform and Appearance Policy
---	---

SCHOOL UNIFORM AND APPEARANCE POLICY

I. Purpose

The Lanett City Board of Education believes a safe and disciplined learning environment is the first requirement of a high performing school. The implementation of school uniforms will help minimize disruptive behavior, promote respect for oneself and others, build school/community spirit, and, more significantly, help to maintain high academic standards. The board also feels that the wearing of uniforms by students will help lessen the impact of socioeconomic differences. In addition, it allows for immediate identification of intruders on campus and encourages students to concentrate on learning rather than on what they are wearing.

II. Implementation Process

Students will be required to start wearing uniforms at the beginning of the 2009-2010 school year.

III. Information Dissemination

School officials will communicate with parents/guardians concerning the uniform policy, including general guidelines for implementation, by using one or more of the following: newsletters, parent forums, PTO meetings, TV and radio announcements, flyers and web site.

IV. Appearance

In addition to being required to wear school uniforms, all students are to be well-groomed and dressed appropriately for school and school activities. A student's dress and/or appearance shall:

1. Support, not disrupt, the learning environment
2. Constitute no threat to health or safety
3. Be tasteful and unable to be construed as provocative or obscene
4. Reflect practices of good hygiene and cleanliness

Reasonable consideration shall be made for those students who, because of a sincerely held religious belief or medical reason, request a waiver of a particular guideline for dress or appearance. The waiver request shall be in writing from the parent or guardian and approved by the principal, principal's designee or a committee selected by the principal, on an annual basis. In considering a waiver request, the principal, principal's designee or committee members have the right to request additional documentation from medical officials and/or religious leaders.

Reasonable accommodation shall be made by the principal for students involved in special duties, activities, or projects approved by the school. This would include but not be limited to athletics, P.E. classes, special events, and other activities that require non-conforming dress on a school campus during a school-sponsored event.

V. School Uniform

The principal and/or principal's designee will implement the school uniform and appearance policy in a manner that is age and developmentally appropriate. - Fourth and additional offenses - Saturday School, ISS, or OSS

Any student found to be in violation of the uniform policy must change to meet uniform requirements in a timely manner. If necessary, the parent will be contacted to pick up the student or to bring a change of clothes. Any absence from class is unexcused. If the student does not change to meet uniform requirements within a period of time deemed appropriate by the principal, an additional violation will be issued. Excessive absences due to dress code infractions will result in truancy hearings and juvenile court referrals.

Students may wear a coat to school, but it must be put in the student's bookbag prior to homeroom. Students may wear a solid white, black, navy, or ecru sweater/cardigan that buttons up in the front. The sweater/cardigan must not have a hood on it.
