

3RD GRADE ART LESSON WEEK 6

This week we are going to draw Stitch from Lilo and Stitch the movie. Stitch is famous for his wild behavior and sweet heart. When the artists were making the movie they decided to use watercolor paint for the background. This is a method that Disney used a long time ago but they wanted to bring back for the Lilo and Stitch movie.

Supplies:

Paper

Pencil

Eraser

Something to color with

Sharpie or any black marker
