

Richland Springs Independent School District 2020 – 2021 Return to School Plan

Richland Springs ISD is committed to the health and safety of every student and staff member as well as our community. We will follow the guidance and best practices of the Center for Disease Control (CDC), Texas Department of State Health Services (TDSHS), San Saba County, Texas Education Agency (TEA), and local governance.

This plan was last modified based on TEA guidance (7/17/20) and Texas Governor Executive Order GA-29 (7/2/2020) regarding the wearing of masks. The document will be updated as government mandates change.

General Health & Safety Protocols

- Campus staff will be trained in COVID-19 safety protocols.
- Disinfectants will be used for deep cleaning campuses.
 - The District will store these products safely and ensure that harmful cleaning products are not used near children.
- Students, teachers, staff, and essential campus visitors/volunteers will be encouraged to sanitize and wash hands frequently.
- Tissues will be provided in classrooms and common areas to encourage students and staff to cover coughs and sneezes with a tissue, and if not available, to cover with their elbows. Used tissues should be thrown in the trash and hands washed immediately with soap and water for at least 20 seconds, or hand sanitizer should be used.
- Social distancing and safety signage will be added and visible throughout school facilities.
- No outside visitors or parents will be allowed to come to school for lunch at least during the fall semester.
- Visitors and volunteers will be limited, at least during the fall semester. NOTE: essential volunteers scheduled for work at a campus will be pre-screened for temperature/symptoms before admittance on campus.
- Richland Springs ISD is permitted to prevent any individual who fails the health screening criteria from being admitted to the campus until they meet the criteria for re-entry to the campus.
- Currently, all locker rooms and shower rooms are “CLOSED.” This guideline could change by the opening of school in August.
- **“Close contact” is defined by the Centers for Disease Control and Prevention (CDC) as:**
 - being directly exposed to infectious secretions (e.g., being coughed on while not wearing a mask or face shield); or
 - being within 6 feet for a cumulative duration of 15 minutes, while not wearing a mask or face shield.

Richland Springs Independent School District 2020 – 2021 Return to School Plan

Health Self-Screening for Staff & Students

- Students and staff are required to take their own temperatures daily before arriving at school. Anyone with a fever of **100 or higher** should not come to school or a RSISD facility. (TEA mandate)
- Students and staff **are required** to self-screen before coming to school by asking the following question (TEA mandate):

Have you recently begun experiencing any of the following in a way that is not normal for you?

- Feeling feverish or a measured temperature greater than or equal to 100 degrees Fahrenheit
 - Loss of taste or smell
 - Cough
 - Difficulty breathing
 - Shortness of breath
 - Headache
 - Chills
 - Sore throat
 - Shaking or exaggerated shivering
 - Significant muscle pain or ache
 - Diarrhea
- Students and staff may be subject to periodic temperature checks for verification, especially if they are feeling ill or suspected of having a fever during the school day.
 - High School office and other offices will have access to a touch-free forehead thermometer to check/verify temperatures throughout the day as needed and will immediately send anyone with a **100 or higher** temperature to the school health clinic for temperature verification and symptom check by the registered nurse.
 - Teachers, staff, and students must report to campus/district administration if they have COVID-19 symptoms or are lab-confirmed with COVID-19, and, if so, they must remain off campus until they meet the criteria for re-entry.
 - Additionally, teachers, staff, and students must report to campus/district administration if they have had close contact with an individual who is lab-confirmed with COVID-19, as defined in this document, and, if so, must remain off campus until the 14-day incubation period has passed.
 - Richland Springs ISD will be pre-screening all contracted workers and essential volunteers before they are allowed entrance on campus.
-

Richland Springs Independent School District 2020 – 2021 Return to School Plan

School Health Clinic Procedures

- Campus nurses and substitute nurses will be trained in COVID-19 safety protocols.
- Minor health needs may be handled in the school office area to reserve the health clinic space for students experiencing symptoms or fever.
- Attendance clerks will be trained to communicate the protocol for students/staff who are absent for COVID-19 symptoms.
- Regardless of age, students who come to the school health clinic showing symptoms will be required to wear a mask until their parent arrives to take them home.
- School health clinics will be cleaned and disinfected regularly.

Protocols for Individuals Confirmed, Suspected, or Exposed to COVID-19

Any individual, including teachers, staff, students or other campus visitors/volunteers, who either a) are lab-confirmed to have COVID-19 or b) experience symptoms of COVID-19 (as described in this document) **must** stay at home throughout the infection period, and cannot return to the campus until the school screens the individual to determine if the below conditions for campus re-entry have been met.

Confirmed COVID-19

If an individual who has been in a school is **lab-confirmed to have COVID-19**, the District must notify the San Saba County Health Department, in accordance with applicable federal, state and local laws and regulations, including confidentiality requirements of the Americans with Disabilities Act (ADA) and Family Educational Rights and Privacy Act (FERPA).

In the case of **an individual who is diagnosed with COVID-19**, the individual may return to school when a medical professional certifies **all three** of the following criteria are met:

- 1) at least three days (72 hours) have passed since recovery (resolution of fever without the use of fever-reducing medications);
- 2) the individual has improvement in symptoms (e.g., cough, shortness of breath); and
- 3) at least ten days have passed since symptoms first appeared.

Suspected COVID-19

In the case of **an individual who has symptoms that could be COVID-19 and who is not evaluated by a medical professional or tested for COVID-19**, the individual is assumed to have COVID-19. The individual may not return to the campus until the individual has completed the same three-step set of criteria listed above.

If an **individual has symptoms that could be COVID-19 and wants to return to school before completing the above stay-at-home period**, the individual must either a) obtain a medical professional's note clearing the individual for return based on an alternative diagnosis, or b) receive two separate confirmations at least 24 hours apart that they are free of COVID-19 via acute infection tests at an approved COVID-19 testing location found at <https://tdem.texas.gov/covid-19/>.

Richland Springs Independent School District 2020 – 2021 Return to School Plan

Exposed to COVID-19

Individuals, including students, teachers, staff or other campus visitors, and volunteers, **who have had close contact (as defined at the beginning of this document) with someone who is lab-confirmed to have COVID-19**, should stay at home through the 14-day incubation period, and should not be allowed on campus.

Richland Springs ISD school nurses will screen individuals after the incubation period has concluded. If the individual did not experience COVID-19 symptoms during that period, the individual could be allowed back on campus. If the individual experienced symptoms, they must stay at home until the conditions outlined above have been met.

Bus Transportation Protocols

- Families are encouraged to drop students off, carpool, or walk with their students to school to reduce possible virus exposure on buses.
- Richland Springs ISD will provide bus transportation options at the beginning of the fall semester as conditions are evaluated and ridership numbers examined.
- Bus drivers will be trained in COVID-19 safety protocols.
- Each bus/route will be limited to one student per seat or two students from the same household.
- All drivers, and students in 4th grade and above, will wear a mask. Masks for students under 10 years old are optional.
- Hand sanitizer is on all buses and is to be used by students when boarding and exiting the bus.
- Seats, handles, and high-touch areas will be disinfected between morning and afternoon routes.
- When possible, bus windows will be opened to allow outside air to circulate in the bus.

Lunchroom Safety

- Richland Springs ISD plans to utilize the school cafeteria as much as possible for student meals. NOTE: no parents/visitors during lunch, at least for the fall semester.
- Modifications to lunch procedures will be based on what is feasible for each campus and grade. These adjustments will include a combination of staggered schedules, classroom meals, additional lunch periods, rotating groups eating in classrooms and cafeterias, and classes eating together with spacing between groups.
- Cafeteria staff will be trained in COVID-19 safety protocols.
- All cafeteria staff will be wearing masks and gloves while serving students.
- Students will be issued a cafeteria card to use as part of the “no-touch” lunch purchase process.

Richland Springs Independent School District 2020 – 2021 Return to School Plan

- Seats, tables, door handles, and high-touch areas will be disinfected regularly.
-

Personal Protective Equipment (PPE) & Masks

- For this document, masks include non-medical grade disposable face masks, cloth face coverings (over the nose and mouth), or full-face shields to protect eyes, nose, and mouth.
- According to health guidelines released by the Texas Education Agency, masks are not developmentally appropriate for Pre-Kindergarten and Kindergarten students.
- For Pre-K through 3rd grade, parents may determine if masks or face coverings are developmentally appropriate. At this time, masks **remain an option** and are not mandated for students in grades Pre- K through 3.
- For students 10 years and older, masks or face coverings **are required** in accordance with the Governor's Executive Order GA-29 (TEA mandate).
- All RSISD staff will wear face coverings, masks or shields in accordance with the Governor's Executive Order GA-29.
- Executive Order GA-29 requires a mask except:
 - wherever it is feasible to maintain six feet of social distancing from another person not in the same household;
 - if a person has a medical condition or disability that prevents wearing a face covering;
 - while consuming food or drink, or seated to eat or drink;
 - while exercising outdoors or engaging in physical activity outdoors while maintaining a safe distance from other people not in the same household;
 - while giving a speech to an audience while maintaining a safe distance.
- The Texas Education Agency recently announced that PPE would be purchased and provided to each District for use as needed.

From the state, Richland Springs ISD will receive: Update with RS numbers

- 360 student size disposable masks
- 840 adult size disposable masks
- 83 student size reusable masks
- 216 adult size reusable masks
- 1088 gloves
- 1 thermometers
- 14 gallons of hand sanitizer
- 32 adult face shields

Richland Springs Independent School District 2020 – 2021 Return to School Plan

Handwashing & Hand Sanitizers

- Students and staff will be trained in proper handwashing protocols to prevent COVID-19 and the spread of germs.
- Elementary teachers will be encouraged to supervise student handwashing for 20 seconds at least two times each day. In addition, all students will be encouraged to wash hands after using the restroom and before eating.
- Handwashing stations are available in restrooms and some classrooms.
- Hand sanitizer is available in each classroom and commons areas.

Social Distancing Protocols

- Students and staff will be trained in proper social distancing.
- Signage will be provided to help assist students and staff with social distancing in shared spaces and hallways.
- Social distancing becomes a personal responsibility of each individual attending school or coming to a RSISD facility. Anyone causing a disruption or unwillingness to follow RSISD safety protocols, putting students/staff at unnecessary risk may be asked to leave the premises immediately.
- Schools will reduce in-person staff meetings or other opportunities for adults to congregate in close settings. When those meetings are necessary and cannot be done via electronic means, everyone must follow the mask protocols in this guidance.
- Whenever possible throughout the day, students and staff will remain six feet apart. It is not feasible that staff and students maintain six feet of social distancing at all times, especially in classrooms and instructional settings.

Cleaning & Disinfectant Protocols

- RSISD custodial employees have been trained on COVID-19 safety protocols.
- Cleaning and disinfecting will occur daily in every classroom, commons area, and on high-touch surfaces.
- Every classroom and office area will have disinfectant in a spray bottle with cleaning cloths provided for employees and students to use in high-touch areas throughout the school day.
- The state recommends that each school district provide students the opportunity to clean their own spaces before and after they are used in ways that are safe and developmentally appropriate.
- In addition to cleanings throughout each day, restrooms, cafeterias, and computer labs will undergo extensive cleaning after each day's use.

Richland Springs Independent School District 2020 – 2021 Return to School Plan

Protocols for Confirmed COVID-19

The District will close off areas that are heavily used by the individual with the lab-confirmed case (student, teacher, or staff) until the non-porous surfaces in those areas can be disinfected unless more than three days have already passed since that person was on campus.

Instructional Delivery Options

Richland Springs ISD is committed to providing rigorous, TEKS-based instruction to all students whether they attend school face-to-face or select remote instruction. We recognize that this may be a challenging year, but we are embracing the opportunity to expand and maximize learning for all students. Toward that end, we will offer face-to-face instruction and remote instruction for all students for the 2020-21 school year.

All students, remote or face-to-face, must still register: Contact Rhonda Wyatt at 325-452-3427

We will ask parents to inform the school district if they select face-to-face or remote learning as their preferred method of instruction as part of the student registration process no later than Wednesday, July 29.

Although parents can decide up until August 5, we need to be able to assign teachers to students/classrooms as soon as possible. The sooner we have numbers, the sooner we can make necessary assignments. Because of COVID-19 planning, classroom/teacher assignments previously released by the District may need to be adjusted.

Once parents select an instructional model, the student will remain in that setting until the end of the six week grading period.

Reminder: The first day of school is Friday, August 7, 2020.

**Richland Springs Independent School District
2020 – 2021 Return to School Plan**

Face-to-Face Instruction

The key to returning to successful, sustained in-person instruction will be our commitment to health and safety guidelines (below). In-person instruction will resume on August 7. Students will follow regular schedules and course assignments. We support guidance that strongly advocates for policy considerations for the coming school year that starts with the goal of having students physically present in school. They further state that “Schools are fundamental to child and adolescent development and well-being.”

Safety Guidelines for Face-to-Face Instruction

The District has budgeted for the necessary cleaning and sanitization supplies needed to open in August. The Texas Education Agency also provided additional supplies to school districts. All classrooms will be equipped with hand sanitizer. Parents do not need to send additional cleaning supplies to the campuses.

All students will receive instruction on the first day of school on appropriate hygiene practices and mitigation strategies and will be reinforced throughout the school year. We have faith that our students will embrace doing their part to keep their home and school families safe.

PUBLIC HEALTH STATEMENT

As it has always been, the health and safety of our staff and students remain our highest priority. While it is not possible to eliminate all risk of furthering the spread of COVID-19, this guidance document contains information on four sets of practices that minimize the likelihood of viral spread. These protocols and guidelines will be modified based on public health and governmental directives, and advancing scientific knowledge on the transmissibility of COVID-19. We also believe that educating our students about proper hygiene techniques and necessary safety measures to prevent the spread will not only keep them safe but will also keep their respective families safe.

Face-to-Face Instruction	
AT HOME BEFORE SCHOOL SELF- SCREENING	<ul style="list-style-type: none"> • Parents/guardians are required to screen their students for COVID-19 symptoms each day before sending their students to school. Details for self-screening are outlined in this document. • Parents must ensure they do not send a child to school on campus if the child has COVID-19 symptoms (as listed in this document) or is lab-confirmed with COVID-19. <ul style="list-style-type: none"> ○ Children remaining at home will receive remote instruction until the conditions for re-entry are met. • Any child who has had close contact (as defined at the beginning of this document) with an individual who is lab- confirmed with COVID-19 will receive remote instruction until the 14-day incubation period has passed.

Richland Springs Independent School District 2020 – 2021 Return to School Plan

ARRIVAL	<ul style="list-style-type: none">• Campus-specific arrival procedures will be created to facilitate social distancing protocols.• Students will arrive by walk-up, car drop-off, or school bus. Parents/guardians dropping off students will not be able to leave their cars.• For at least the fall semester, visitors or older siblings, not on the same campus, are not permitted to walk students inside the school building.• Hand sanitizer will be available at the main entrance to the campus, in classrooms, in the cafeteria, and common areas throughout the campus.• Free breakfast will continue to be provided to all Richland Springs ISD students.
DISMISSAL	<ul style="list-style-type: none">• Campus-specific dismissal procedures will be created to facilitate social distancing protocols.• Campuses may designate staggered dismissal groups. Staggering the groups of walkers, car riders, bus riders, or grade levels will help manage student movement in the building and decrease the risk of potential crowding outside at dismissal time.• Parents picking up students during the day will call ahead so that students can be sent or accompanied to parent vehicles upon arrival.• Hand sanitizer will be available at the main exit of the campus, in classrooms, in the cafeteria, and common areas throughout the campus.• Early pick-ups are discouraged before dismissal time.
MASKS / FACE COVERINGS	<ul style="list-style-type: none">• Under Governor’s Executive Order GA-29, staff, and students who are 10 years and over, will wear masks upon entry into any school facility, any time they leave their classrooms such as when going to the bathroom, and any time in transition as students move from one classroom or space to another, and on school buses.<ul style="list-style-type: none">○ Specific mask protocols are included above in the Personal Protective Equipment (PPE) & Masks section.• Students and staff may provide their own masks. Any masks with designs must be school appropriate (as determined by campus administration).

Richland Springs Independent School District 2020 – 2021 Return to School Plan

CLASSROOM

- Teachers will monitor students throughout the day and refer to the nurse if symptoms are present.
- Each classroom will have the following:
 - Visual reminders of distancing requirements
 - Refillable hand sanitizer stations
 - Disinfectant in a spray bottle with cleaning cloths provided for employees and students to use in high- touch areas throughout the school day
- In classroom spaces that allow it, desks will be placed a minimum of six feet apart when possible.
- Whenever possible, open windows or otherwise work to improve airflow by allowing outside air to circulate.
- Teachers will:
 - Encourage hand hygiene upon entering the classroom and after group activities.
 - Establish student responsibilities to clean personal areas and materials/supplies with hand sanitizer, disinfectant wipes, and other self-cleaning products
 - Incorporate outdoor teaching when appropriate.
 - Keep classroom doors open to improve circulation and reduce the touching of the door handles.
 - Limit the use of shared supplies when possible. Commonly-touched surfaces and supplies in classrooms will be disinfected between different class groups if multiple class groups use the same room.

DECISION POINTS

WHEN TO CLOSE A CLASSROOM or BUILDING

In the absence of state guidelines (7/9/20), Richland Springs ISD will adopt local guidelines for the closure of a classroom or a school building. *We have preliminary data points that we are considering but are awaiting official guidance. We will publicize these decision points and the plan for possible closure once we have more information, which includes consultation with local health authorities.*

Plans will include:

- Classroom/campus shuts down for cleaning (1-5 days)
 - Pre-K – 6th grade
 - Students/teachers shift to remote learning with generalized enrichment lessons for reading and math
 - 7th – 12th grade
 - Students/teachers shift to remote learning with course-specific requirements
- Classroom/campus shuts down because of close-contact (14 days)
 - Pre-K – 12th grade
 - Students/teachers shift to remote learning with course-specific requirements

Remote Asynchronous Instruction

Remote asynchronous instruction refers to a learning experience where students engage in assigned materials remotely and interact with the teacher via the computer or other electronic devices or over the phone. There is pre-assigned work with formative assessments on paper or district-selected electronic platforms. RSISD’s remote instruction includes live, scheduled, interactive classes with teachers and students in real-time. Regular grading policies apply to remote learning.

ROLES AND COMMITMENTS FROM THE STUDENTS AND PARENTS IN REMOTE LEARNING

STUDENT	PARENTS / GUARDIANS
<p>Complete daily remote activities and assignments.</p> <p>Participate daily in scheduled learning activities, including intervention and tutorials.</p> <p>Take responsibility for asking for help, asking questions, and taking advantage of tutorial sessions.</p> <p>Turn in school work daily at the direction of the assigned teacher.</p> <p>Show up to any live remote instruction ready to learn, on time, dressed appropriately, and follow online etiquette, including using video and showing your face during class.</p>	<p>Monitor and ask for evidence that your child is on track with assignments and coursework.</p> <p>Check the campus homepage for links to teacher lessons.</p> <p>Provide your child with assistance on their day-to-day activities except for designated independent work.</p> <p>Assist in supporting your child’s needs by establishing and managing the daily schedule communicated by the teacher and the campus.</p> <p>Create a designated learning space for your child at home to learn comfortably.</p> <p>Maintain communication with your child’s teacher by phone, email messages, and/or online meetings to create a learning partnership.</p> <p>Allow your child to struggle; it is allowed and encouraged! Do not help too much. Becoming independent takes lots of practice.</p>

OTHER SERVICES – REMOTE INSTRUCTION

SPECIAL EDUCATION	Parents should rest assured that we are committed to implementing a child's IEP to the fullest extent possible in a remote setting. If there are difficulties with implementation, we will come together and arrive at workable solutions in the best interest of the child.
FOOD SERVICES	Families who select remote instruction may pick up breakfast and lunch at Richland Springs Cafeteria. Details will be provided on the district website.
TECHNOLOGY DEVICES FOR STUDENTS	<ul style="list-style-type: none">• All students in the remote learning model who do not have access to a technology device may check one out from their campus.• Technology staff will be available to assist students and staff with technology support.• Richland Springs ISD purchased a limited amount of mobile hot spots for families in need of internet access.
PARENT TECHNOLOGY SUPPORT	<p>The District continues to develop family resources for all remote learning platforms.</p> <p>Training is posted at the on the RSISD website at https://www.rscoyotes.net/governmental-resources</p>

Attendance and Enrollment

- Richland Springs ISD will be required to record DAILY attendance in face-to-face and remote learning models. This requirement means students must have documented daily engagement to be counted present for credit purposes.
- Per Texas Education Code (TEC) 25.092, students must attend 90 percent of a course (with some exceptions) in order to be awarded credit for the course and/or to be promoted to the next grade. This requirement remains in effect during the 2020-2021 school year.
- When available, RSISD will provide parents notice of their public education enrollment and attendance rights and responsibilities during the COVID-19 pandemic using a document published by TEA.

Technology Support

- Technology staff will be available in all instructional models to assist students and staff with technology support.
 - Richland Springs ISD purchased a limited amount of mobile hot spots for families in need of internet access.
-

Extracurricular Participation

- At the beginning of the fall, extracurricular participation is limited to students in the face-to-face instructional model. Students in remote learning are not initially eligible for participation.
 - This face-to-face requirement applies to all extracurricular activities and student groups. TEA does not allow districts to have different guidelines for specific activities, sports, or students.
- **Athletic practices and contests will be conducted following safety protocol provided by guidance from Richland Springs ISD, UIL, and TEA.**
- Students and staff will be trained in COVID-19 safety protocols.
- All participants, coaches, and directors will follow the rules established by the University Interscholastic League and the Texas Education Agency.
- UIL guidance can be found on the [UIL Website](#).
- In response to healthcare providers' focus on the COVID-19 pandemic, the UIL recently waived the required pre-participation physical examination for students involved in band/athletics who already have a physical on file for the 2019-2020 school year. Those students who are new or do not have a physical already on file will be required to get a physical and complete the pre-participation physical examination form BEFORE participating in band/athletics for the 2020-2021 school year.
- PE locker rooms and showers are currently "CLOSED." This directive could change as we near the opening of school in August.
- **Bus travel will follow the transportation guidelines provided by Richland Springs ISD and TEA.**
- Spectator attendance at games and contests may be limited based on TEA and UIL guidelines. Ticketing for events may be utilized to control the capacity of facilities.
- Postgame sign-out procedures for athletes will be communicated to parents before the beginning of each season.
- Event procedures will be in place to minimize face-to-face interactions.
- Separate entrances and exits may be utilized, and event doors may be propped open to minimize physical contact with handles.
- Spectator seats may be marked and configured in a way to enforce social distancing.
- Concessions or concession sales may be limited to encourage social distancing and to follow health and safety guidelines.

Facility Rentals & After-School Events

- Due to COVID-19 and the impact on facility management, Richland Springs ISD will be limiting fall rental of school facilities primarily to outdoor fields.
- TEA recommends that after-school providers and other programs that operate in conjunction with campuses follow this guidance in coordination with the campuses they serve.
- Any operation of facilities should be done consistent with the Texas Governor’s Executive Orders for similar activities.

Large-Group Gatherings & Special Events

To begin the fall semester, RSISD will avoid scheduling non-essential large group gatherings and events where adults and students must commingle or where students would be unnecessarily exposed to the virus in public places such as field trips, assemblies, dances, public pep rallies, PTO fun nights, etc.

Social-Emotional Support/Mental Wellness

- Richland Springs ISD counselors will be trained in COVID-19 safety protocols.
- Counselors will develop strategies and support for students, families, and staff members for each phase of recovery (before reopening, immediately after reopening, and long-term support).
- Counselors will develop a referral system for individuals who need targeted support as well as access to school-employed and community mental health professionals.
- A process will be established to help identify and provide support to students or staff, perhaps at higher risk for significant stress or trauma from COVID-19. This process should involve conducting psychological triage to determine who needs crisis intervention support through a review of data about students and staff that they received during the closure.
- Students in need of social-emotional support will be provided tiered interventions which could involve referral for additional school-based services or referral for outside mental health support.
