[Hymn Database Sees Spike as Christians Worship at Home in 2020](#)

(RNS) — In 2020, we celebrated holidays at home amid the COVID-19 pandemic. We worked at home, attended school at home, even attended worship services at home.

Many Christians also turned to hymns for comfort at home, according to Hymnary.org.

Users of the online database doubled as the novel coronavirus closed many church buildings this spring, and the website now is nearing 40 million page views for 2020, its highest ever.
