

FROM THE ASSISTANT PRINCIPAL:

Get ready because another round of free ACT Prep is coming! On April 7th, Page High School will administer a free testing session of the ACT to all 11th graders. In preparation of this, we are offering another after school program to help prepare our students. This is open to all students, whether they will be taking the test in April or not. It runs from February 18th to April 4th, from 3:10 to 4:30. Ms. Moore and Ms. Valentine will be teaching this. If you are unfamiliar with this program, it runs Monday through Thursday. Students can have flexibility with which days they attend, all four days each week, or Mondays/Wednesdays, or whatever works for their schedule. It is an individualized online program, custom tailored to each individual based on their pre-assessment. Students can ride the 4:30 bus. Interested? Students can sign up with Ms. Moore or Ms. Valentine. Questions? Give me a call or send me an email at 928-608-4185 or bhenderson@pageud.org.

Sand Devil Families, it's time for our 9th-11th grade students to begin the process to request courses for the next school year. Ask your student about the options available. Decisions should align with a student's 4-year plan. Once your student is presented the information, by their school counselor, they will have a booklet and other papers to share with you at home. All requests are visible on the Power School student portal. The process for 9th-11th grade students to request/select courses will end Feb. 7.

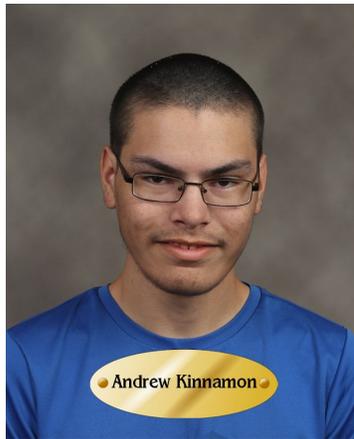

Time to request your class courses for the 20-21 school year!
