“Inspire and Empower”

Frazier High School

Frazier to Host FAFSA Completion Session on November 6, 2019.

On November 6, 2019, between the hours of 8:00 AM and 1:00 PM, Frazier will hold a FAFSA Completion Session to assist families of college-bound students and their parents/guardians in completing the FAFSA. The primary goal of this session is to ensure that the first step of the financial aid process is completed accurately so that eligibility for funding can be determined in a timely manner.

- Below is the FAFSA Checklist that will assist you in gathering the documents needed that day.
- An RSVP is required to reserve your one hour time slot.
- Please call the high school office to make your appointment or for any questions about this event.
- Feel free to bring your personal laptop.

About the FAFSA

The FAFSA (Free Application for Federal Student Aid) is the first step in the financial aid process. It is used to apply for federal student aid, such as grants, loans, and work-study. In Pennsylvania, information from the FAFSA is also used to determine student eligibility for the PA State Grant.

The FAFSA asks for information about you and your financial situation. If you're married, you will need the same info for your spouse. If you're considered a dependent student, you will need your parents' information, too.

Before filing the FAFSA, gather the following items:

- ☐ A Federal Student Aid (FSA) ID

Note: A FSA ID is a username and password used to log into U.S. Department of Education (USDE) websites and electronically sign the FAFSA. You and a parent will each need your own separate FSA ID.

Go to fsaid.ed.gov to create your FSA ID.

- ☐ Social Security number
- ☐ Your driver's license number, if you have one (optional)
- ☐ Alien registration number, if you are not a U.S. citizen
- ☐ Email address (optional)
- ☐ 2018 W-2 Forms

- ☐ 2018 Records of untaxed income received, including workers' compensation, child support, payments to tax-deferred pension, savings plans, etc.
- ☐ 2018 Federal income tax return and applicable schedules

Note: If you complete your FAFSA online, you have the option of automatically retrieving your income and tax data from the Internal Revenue Service (IRS) and having it transferred into your FAFSA. The IRS Data Retrieval Tool (DRT) is the preferred method to complete the FAFSA.

- ☐ Current bank statements and records of stocks, bonds, 529 plans, and other investments

Commodore Closet

Students within the high school will be able to shop at The Commodore Closet. This program is designated to help students who may need additional clothing, coats, school supplies and basic personal needs. Students can be referred by teachers and staff, as well as students themselves. Students will be permitted to “shop” in the closet for items that may be needed. The closet can be used by any student. This will be an opportunity for students to donate back to the store by bringing items they may have outgrown or no longer need. This program was implemented to teach students the joy of giving back, being part of a community, and help them to inspire and empower themselves and others.

Turn Back Time

This Saturday night, turn back your clocks one hour. If the absence of summer and increase of pumpkin spice everything hasn't convinced you that it's fall, the end of Daylight Saving Time sure will. Daylight Saving Time comes to an end on Sunday, November 3, 2019 at 2 a.m. The "gain" of an hour will bring more daylight to your mornings, so you will be arriving to school in daylight.

Powder Puff Game

Frazier's Junior Class will be hosting the 2019 Powder Puff game on Friday, November 15, 2019 at 5 p.m. Come out to Frazier's football stadium and help support the junior class in this fundraiser activity for prom. The concession stand will be open during the games and all profits benefit the junior class. Thank you for your support.

Snowball Dance

The annual Snowball Dance is scheduled for December 7, 2019 at the Ramada by Wyndham in Uniontown. Tickets can be purchased from Ms. Lindey or from Class Officers during all lunches. Cost is \$45 per couple or \$30 per single. Pictures will be taken prior to the start of the dance which is from 7:00 p.m. to 10:00 p.m.

WQED Education Kick Off Event for Frazier Elementary Families

Content Areas of Focus: STEM, LITERACY & MATH
Date: Thursday, Nov. 7, 2019
Time: 6:00-7:30pm
Location: Elementary Cafeteria

The goal of this event is to provide parents with ideas/take-aways from WQED Educational Resources to use at home to support their child's literacy and math development. These resources are research-based and empower teachers to create innovative and impactful learning experiences.

This event is coordinated effort of Frazier Elementary Faculty & Staff, Frazier Elementary PTO, WQED Education and the Ned's Kindness Adventure Pay It Forward Program.

On October 30, 2019, our school experienced NED's Kindness Adventure. This was an assembly designed to inspire students to be kind-hearted and caring emphasized the values of kindness and friendship. This unique program combined storytelling with an interactive video of our performer's recent visit to Bidii Primary School in Kenya.

You can check out more at the NED's Kindness Adventure website at www.kindnessadventure.com

We will hold the Pay It Forward program in the evening on November 7 during the WQED Kick Off Event. There will be a selection of items handcrafted by artisans in Kenya that can be purchased to support this program. Students can also purchase items on Friday, November 8 from 9-10am.

MICROGREENS EXTENSION PROJECT UPDATE

Microgreens are young plants harvested at the Cotyledon stage. They are grown as a healthy alternative for snacking. Students process the Microgreens by washing, drying and packing them for Frazier Farm, a student operated business in Third Grade that is overseen by Fifth Grade students.

OUTDOOR LEARNING CENTER

Big changes are happening in the Frazier Elementary Aquaponics Greenhouse! The development of an Outdoor Learning Center for the Elementary. It will be equipped with a classroom area, weather station and planting area. Grade levels will also enjoy the use of grow boxes for vegetable gardens, butterfly gardens or salsa gardens. A “Winterized Greenhouse” for Kale and Spinach will be used to experiment with plants that can survive the winter and be harvested in January.

Model of the Outdoor Learning Center Project:
