

## Training Session Topic #8

### 8. Join a group and get involved.

In CCB you will hear a lot about “GROUPS”. Groups are set up in CCB to organize our real-life groups. Each group has a group leader. That leader can communicate to the group participants by messages. Group leaders can set up EVENTS and take attendance for events. Members of events can “check-in” for attendance as well.

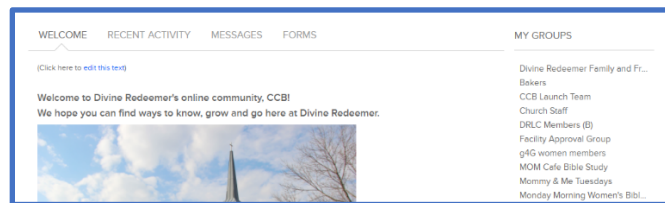

#### HOW TO GET INTO A CCB GROUP

1. Either you are added by the group leader
2. Or you request to be added to a group.

*By default, everyone in CCB is in the “Divine Redeemer Family and Friends” group.*

#### GROUP LIST

The list of groups in CCB for DRLC are changing as some are being added all the time. For a listing of groups that you are currently IN, just go to the CCB HOME page and on the right-hand side you will see “My Groups”:

To find a Group, go to GROUPS page in CCB (find the word GROUPS) in the left-hand side of the page. Type in the Group name to find the group you want to join. Here is an example of some of the groups (this is not all the groups):
