DEFINITIONS

COMPANY refers to Ameritas Life Insurance Corp. The words "we", "us" and "our" refer to Company. Our Home Office address is 5900 "O" Street, Lincoln, Nebraska 68510.

POLICYHOLDER refers to the Policyholder stated on the face page of the policy.

INSURED refers to a person:

- a. who is a Member of the eligible class; and
- b. who has qualified for insurance by completing the eligibility period, if any; and
- c. for whom the insurance has become effective.

DOMESTIC PARTNER. Refers to two unrelated individuals who share the necessities of life, live together, and have an emotional and financial commitment to one another, similar to that of a spouse.

CHILD. Child refers to the child of the Insured, a child of the Insured's spouse or a child of the Insured's Domestic Partner, if they otherwise meet the definition of Dependent.

DEPENDENT refers to:

- a. an Insured's spouse or Domestic Partner.
- b. each child less than 26 years of age, for whom the Insured, the Insured's spouse, or the Insured's Domestic Partner, is legally responsible, or is eligible under the federal laws identified below, including:
 - i. natural born children;
 - ii. adopted children, eligible from the date of placement for adoption;
 - iii. children covered under a Qualified Medical Child Support Order as defined by applicable Federal and State laws.

Spouses of Dependents and children of Dependents may not be enrolled under this policy. Additionally, if the Policyholder's separate medical plans are considered to have "grandfathered status" as defined in the federal Patient Protection and Affordable Care Act and the Health Care and Education Reconciliation Act, Dependents may not be eligible Dependents under such medical plans if they are eligible to enroll in an eligible employer-sponsored health plan other than a group health plan of a parent for plan years beginning before January 1, 2014. Dependents that are ineligible under the Policyholder's separate medical plans will be ineligible under this Policy as well.

- c. each child age 26 or older who:
 - i. is Totally Disabled as defined below; and
 - ii. becomes Totally Disabled while insured as a dependent under b. above.

Coverage of such child will not cease if proof of dependency and disability is given within 31 days of attaining the limiting age and subsequently as may be required by us but not more frequently than annually after the initial two-year period following the child's attaining the limiting age. Any costs for providing continuing proof will be at our expense.

TOTAL DISABILITY describes the Insured's Dependent as:

1. Continuously incapable of self-sustaining employment because of mental retardation or physical handicap; and
2. Chiefly dependent upon the Insured for support and maintenance.

DEPENDENT UNIT refers to all of the people who are insured as the dependents of any one Insured.

PROVIDER refers to any person who is licensed by the law of the state in which treatment is provided within the scope of the license. Prior to receiving treatment, an Insured may want to verify whether a Provider is a Network Provider.

PARTICIPATING AND NON-PARTICIPATING PROVIDERS. A Participating Provider is a Provider who has a contract with Us to provide services to Insureds at a discount. A Participating Provider is also referred to as a "Network Provider." The terms and conditions of the agreement with our network providers are available upon request. Members are required to pay the difference between the plan payment and the Participating Provider's contracted fees for covered services. A Non-Participating Provider is any other provider and may also be referred to as an "Out-of-Network Provider." Members are required to pay the difference between the plan payment and the provider's actual fee for covered services. Therefore, the out-of-pocket expenses may be lower if services are provided by a Participating Provider.

PLAN EFFECTIVE DATE refers to the date coverage under the policy becomes effective. The Plan Effective Date for the Policyholder is shown on the policy cover. The effective date of coverage for an Insured is shown in the Policyholder's records.

All insurance will begin at 12:01 A.M. on the Effective Date. It will end after 11:59 P.M. on the Termination Date. All times are stated as Standard Time of the residence of the Insured.

PLAN CHANGE EFFECTIVE DATE refers to the date that the policy provisions originally issued to the Policyholder change as requested by the Policyholder. The Plan Change Effective date for the Policyholder will be shown on the policy cover, if the Policyholder has requested a change. The plan change effective date for an Insured is shown in the Policyholder's records or on the cover of the certificate.

CONDITIONS FOR INSURANCE COVERAGE

ELIGIBILITY

ELIGIBLE CLASS FOR MEMBERS. The members of the eligible class(es) are shown on the Schedule of Benefits. Each member of the eligible class (referred to as "Member") will qualify for such insurance on the day he or she completes the required eligibility period, if any. Members choosing to elect coverage will hereinafter be referred to as "Insured."

If employment is the basis for membership, a member of the Eligible Class for Insurance is any eligible employee electing vision working at least 30 hours per week. If membership is by reason other than employment, then a member of the Eligible Class for Insurance is as defined by the Policyholder.

If a husband and wife are both Members and if either of them insures their dependent children, then the husband or wife, whoever elects, will be considered the dependent of the other. As a dependent, the person will not be considered a Member of the Eligible Class, but will be eligible for insurance as a dependent.

ELIGIBLE CLASS FOR DEPENDENT INSURANCE. Each Member of the eligible class(es) for dependent coverage is eligible for the Dependent Insurance under the policy and will qualify for this Dependent Insurance on the first of the month following the latest of:

1. the day he or she qualifies for coverage as a Member;
2. the day he or she first becomes a Member; or
3. the day he or she first has a dependent.

NEWBORN AND ADOPTED CHILD COVERAGE. Newborn and adopted children will automatically be covered for benefits. Adopted children includes children placed with the insured for the purpose of adoption. Newborn children will be covered through the 31st day of life. Adopted children will be covered through the 31st day following adoption or the placement for adoption. When the Insured is required to contribute to the payment of premiums for dependents and coverage is desired beyond the 31st day, the Insured must apply for coverage and pay the first premium. The application must be made before the 31st day. An application made after this date will result in the child being a Late Entrant and subject to any provision or limitation for Late Entrants.

Coverage for a newborn child includes care and treatment of congenital defects or birth abnormalities of the teeth and gums.

A Member must be an Insured to also insure his or her dependents.

If employment is the basis for membership, a member of the Eligible Class for Dependent Insurance is any eligible employee electing vision working at least 30 hours per week and has eligible dependents. If membership is by reason other than employment, then a member of the Eligible Class for Insurance is as defined by the Policyholder.

Any husband or wife who elects to be a dependent rather than a member of the Eligible Class for Personal Insurance, as explained above, is not a member of the Eligible Class for Dependent Insurance.

When a member of the Eligible Class for Dependent Insurance dies and, if at the date of death, has dependents insured, the Policyholder has the option of offering the dependents of the deceased employee continued coverage. If elected by the Policyholder and the affected dependents, the name of such deceased member will continue to be listed as a member of the Eligible Class for Dependent Insurance.

CONTRIBUTION REQUIREMENTS. Member Insurance: An Insured is not required to contribute to the payment of his or her insurance premiums.

Dependent Insurance: An Insured is not required to contribute to the payment of insurance premiums for his or her dependents.

ELIGIBILITY PERIOD. For Members on the Plan Effective Date of the policy, qualification will occur on the first of the month following the eligibility period of 2 month(s) of continuous active employment.

For persons who become Members after the Plan Effective Date of the policy, qualification will occur on the first of the month following the eligibility period of 2 month(s) of continuous active employment.

If employment is the basis for membership in the Eligible Class for Members, an Insured whose eligibility terminates and is established again, may or may not have to complete a new eligibility period before he or she can again qualify for insurance.

EFFECTIVE DATE. Each Member has the option of being insured and insuring his or her Dependents. To elect coverage, he or she must agree in writing to contribute to the payment of the insurance premiums. The Effective Date for each Member and his or her Dependents, will be the first of the month following:

1. the date on which the Member qualifies for insurance, if the Member agrees to contribute on or before that date.
2. the date on which the Member agrees to contribute, if that date is within 31 days after the date he or she qualifies for insurance.

EXCEPTIONS. If employment is the basis for membership, a Member must be in active service on the date the insurance, or any increase in insurance, is to take effect. If not, the insurance will not take effect until the day he or she returns to active service. Active service refers to the performance in the customary manner by an employee of all the regular duties of his or her employment with his or her employer on a full-time basis at one of the employer's business establishments or at some location to which the employer's business requires the employee to travel. If a Member is not in active service due to total disability, the insurance will remain in effect for one year.

A Member will be in active service on any regular non-working day if he or she is not totally disabled on that day and if he or she was in active service on the regular working day before that day.

If membership is by reason other than employment, a Member must not be totally disabled on the date the insurance, or any increase in insurance, is to take effect. The insurance will not take effect until the day after he or she ceases to be totally disabled.

But any person who is not in active service or is totally disabled will be insured on the Effective Date if:

- a. the person was insured under a policy of group insurance providing like benefits which ended on the day immediately before the Effective Date of the policy providing this coverage; and
- b. the person is considered a Member or an eligible Dependent under the policy providing this coverage; and had the prior policy contained the same definition of eligibility, would have been a Member or Dependent under the prior policy.

TERMINATION DATES

INSUREDS. The insurance for any Insured, will automatically terminate on the end of the month falling on or next following the **earliest of:**

1. the date the Insured ceases to be a Member;
2. the last day of the period for which the Insured has contributed, if required, to the payment of insurance premiums; or
3. the date the policy is terminated.

DEPENDENTS. The insurance for all of an Insured's dependents will automatically terminate on the end of the month falling on or next following the **earliest of:**

1. the date on which the Insured's coverage terminates;
2. the date on which the Insured ceases to be a Member;
3. the last day of the period for which the Insured has contributed, if required, to the payment of insurance premiums; or
4. the date all Dependent Insurance under the policy is terminated.

The insurance for any Dependent will automatically terminate on the end of the month falling on or next following the day before the date on which the dependent no longer meets the definition of a dependent. See "Definitions."

CONTINUATION OF COVERAGE. If coverage ceases according to TERMINATION DATE, some or all of the insurance coverages may be continued. Contact your plan administrator for details.

EYE CARE EXPENSE BENEFITS

If an Insured has Covered Expenses under this section, we pay benefits as described. The Insured can choose any provider at any time.

AMOUNT PAYABLE

The Amount Payable for Covered Expenses is the lesser of the provider's charge, or the Maximum Covered Expense for such services or supplies. This is shown in the Schedule of Eye Care Services below.

DEDUCTIBLE AMOUNT

The Deductible Amount is on the Schedule of Benefits. It is an amount of Covered Expenses for which no benefits are payable. It applies separately to each Insured. Benefits are paid only for those Covered Expenses that are over the Deductible Amount.

PARTICIPATING PROVIDERS

A Participating Provider is a provider who has agreed to participate in the VSP network and agrees to provide services and supplies to the Insured at a discounted fee. For questions related to providers or benefit payments, VSP's Customer Care Division is available at (800) 877-7195.

NON-PARTICIPATING PROVIDER

A Non-Participating Provider is any other provider. Non-Participating providers may be referred to as Affiliate or Open Access Providers. Non-Participating Providers are not subject to our Quality Management Programs. Your out-of-pocket expenses may be greater when you visit a Non-Participating Provider. However, more cost savings or convenience may be available through VSP arrangements with Affiliate Providers. You may contact VSP's Customer Care Division for details at (800) 877-7195.

COVERED EXPENSES

Covered expenses are the eye care expenses incurred by an Insured for services or supplies. We pay up to the Maximum Covered Expense shown in the Schedule of Eye Care Services.

EYE CARE SUPPLIES

Eye care supplies are all services listed on the Schedule of Eye Care Services. They exclude services related to Eye Care Exams.

REQUEST FOR SERVICES

When requesting services, the Insured must advise the Participating Provider's office that he or she has coverage under this network plan. If the Insured receives services from a Participating Provider without this notification, the benefits may be limited to those for a Non-Participating Provider.

ASSIGNMENT OF BENEFITS

We pay benefits to the Participating Provider for services and supplies performed or furnished by them. When a Non-Participating Provider performs services, we pay benefits to the Insured unless arranged differently through an Affiliate or Open Access provider, or otherwise required by state regulation.

EXTENSION OF BENEFITS

If your policy terminates, we will pay claims for eye care services and supplies that you received or ordered prior to your policy's termination. You will have six months following the date of service to submit your claim.

EXPENSES INCURRED

An expense is incurred at the time a service is rendered or a supply item furnished.

PROOF OF LOSS

Written proof of loss must be given to us within 180 days after completion of the service for a claim to be covered. An exception may be made if the Insured shows it was not possible to submit the proof of loss within this period.

LIMITATIONS

This plan has the following limitation:

Some brands of spectacle frames may be unavailable at all locations for purchase as Covered Expenses, or may be subject to additional out-of-pocket expenses. COORDINATION OF BENEFITS

This section applies if an Insured person has eye care coverage under more than one Plan definition below. All benefits provided under this policy are subject to this section.

EFFECT ON BENEFITS. The Order of Benefit Determination rules below determine which Plan will pay as the primary Plan. If all or any part of an Allowable Expense under this Plan is an Allowable Expense under any other Plan, then benefits will be reduced so that, when they are added to benefits payable under any other Plan for the same service or supply, the total does not exceed 100% of the total Allowable Expense.

If another Plan is primary and this Plan is considered secondary, the amount by which benefits have been reduced during the Claim Determination Period will be used by us to pay the Allowable Expenses not otherwise paid which were incurred by you in the same Claim Determination Period. We will determine our obligation to pay for Allowable Expenses as each claim is submitted, based on all claims submitted in the current Claim Determination Period.

DEFINITIONS. The following apply only to this provision of the policy.

1. "Plan" refers to the group policy and any of the following plans, whether insured or uninsured, providing benefits for eye care services or supplies:
 - a. Any group or blanket insurance policy.
 - b. Any group Blue Cross, group Blue Shield, or group prepayment arrangement.
 - c. Any labor/management, trusteed plan, labor organization, employer organization, or employee organization plan, whether on an insured or uninsured basis.
 - d. Any coverage under a governmental plan that allows coordination of benefits, or any coverage required or provided by law. This does **not** include a state plan under Medicaid (Title XVIII and XIX of the Social Security Act as enacted or amended). It also does not include any plan whose benefits by law are excess to those of any private insurance program or other non-governmental program.
2. "Plan" does **not** include the following:
 - a. Individual or family benefits provided through insurance contracts, subscriber contracts, coverage through individual HMOs or other prepayment arrangements.
 - b. Coverages for school type accidents only, including athletic injuries.
3. "Allowable Expense" refers to any necessary, reasonable and customary item of expense at least a portion of which is covered under at least one of the Plans covering the Insured person for whom that claim is made. When a Plan provides services rather than cash payments, the reasonable cash value of each service will be both an Allowable Expense and a benefit paid. Benefits payable under another Plan include benefits that would have been payable had a claim been made for them.
4. "Claim Determination Period" refers to a Benefit Period, but does not include any time during which a person has no coverage under this Plan.
5. "Custodial Parent" refers to a parent awarded custody of a minor child by a court decree. In the absence of a court decree, it is the parent with whom the child resides more than half of the calendar year without regard to any temporary visitation.

ORDER OF BENEFIT DETERMINATION. When two or more Plans pay benefits, the rules for determining the order of payment are as follows:

1. A Plan that does not have a coordination of benefits provision is always considered primary and will pay benefits first.
2. If a Plan also has a coordination of benefits provision, the first of the following rules that describe which Plan pays its benefits before another Plan is the rule to use:
 - a. The benefits of a Plan that covers a person as an employee, member or subscriber are determined before those of a Plan that covers the person as a dependent.
 - b. If a Dependent child is covered by more than one Plan, then the primary Plan is the Plan of the parent whose birthday is earlier in the year if:
 - i. the parents are married;
 - ii. the parents are not separated (whether or not they ever have been married); or
 - iii. a court decree awards joint custody without specifying that one party has the responsibility to provide Eye Care coverage.

If both parents have the same birthday, the Plan that covered either of the parents longer is primary.

- c. If the Dependent child is covered by divorced or separated parents under two or more Plans, benefits for that Dependent child will be determined in the following order:
 - i. the Plan of the Custodial Parent;
 - ii. the Plan of the spouse of the Custodial Parent;
 - iii. the Plan of the non-Custodial Parent; and then
 - iv. the Plan of the spouse of the non-Custodial Parent.

However, if the specific terms of a court decree establish a parent's responsibility for the child's Eye Care expenses and the Plan of that parent has actual knowledge of those terms, that Plan is primary. This rule applies to Claim Determination Periods or Benefit Periods commencing after the Plan is given notice of the court decree.

- d. The benefits of a Plan that cover a person as an employee who is neither laid-off nor retired (or as that employee's dependent) are determined before those of a Plan that covers that person as a laid-off or retired employee (or as that employee's dependent). If the other Plan does not have this rule, and if, as a result, the Plans do not agree on the order of benefits, this rule will be ignored.
- e. If a person whose coverage is provided under a right of continuation provided by a federal or state law also is covered under another Plan, the Plan covering the person as an employee, member, subscriber or retiree (or as that person's dependent) is primary, and the continuation coverage is secondary. If the other Plan does not have this rule, and if, as a result, the Plans do not agree on the order of benefits, this rule will be ignored.
- f. The benefits of a Plan that has covered a person for a longer period will be determined first.

If the preceding rules do not determine the primary Plan, the allowable expenses shall be shared equally between the Plans meeting the definition of Plan under this provision. In addition, this Plan will not pay more than what it would have paid had it been primary.

RIGHT TO RECEIVE AND RELEASE NECESSARY INFORMATION. We may without your consent and notice to you:

1. Release any information with respect to your coverage and benefits under the policy; and
2. Obtain from any other insurance company, organization or person any information with respect to your coverage and benefits under another Plan.

You must provide us with any information necessary to coordinate benefits.

FACILITY OF PAYMENT. When other Plans make payments that should have been made under this Plan according to the above terms, we will, at our discretion, pay to any organizations making these payments any amounts that we decide will satisfy the intent of the above terms. Amounts paid in this way will be benefits paid under this Plan. We will not be liable to the extent of these payments.

RIGHT OF RECOVERY. When we make payments for Allowable Expenses in excess of the amount that will satisfy the intent of the above terms, we will recover these payments, to the extent of the excess, from any persons or organizations to or for whom these payments were made. The amount of the payments made includes the reasonable cash value of any benefits provided in the form of services.

GENERAL PROVISIONS

NOTICE OF CLAIM. Written notice of a claim must be given to us within 90 days after the incurred date of the services provided for which benefits are payable.

Notice must be given to us at our Home Office, or to one of our agents. Notice should include the Policyholder's name, Insured's name, and policy number. If it was not reasonably possible to give written notice within the 90 day period stated above, we will not reduce or deny a claim for this reason if notice is filed as soon as is reasonably possible.

CLAIM FORMS. When we receive the notice of a claim, we will send the claimant forms for filing proof of loss. If these forms are not furnished within 15 days after the giving of such notice, the claimant will meet our proof of loss requirements by giving us a written statement of the nature and extent of loss within the time limit for filing proofs of loss.

ARBITRATION OF DISPUTED CLAIMS. If, in order to settle a disputed claim, we require an independent evaluation of dental care, then only a provider who is certified to practice dentistry may conduct the independent evaluation.

The evaluation must include an examination and a review of all x-rays and reports prepared by the primary provider. A certified copy of the findings must be sent to the Insured and the primary provider within 10 working days of the evaluation.

If the Insured disagrees with the findings, he or she may appeal by sending to us a request for binding arbitration pursuant to the American Arbitration Association within 30 days after receiving the findings. When we receive the appeal, we must send written notice to the primary provider.

While the disputed claim is in arbitration, we may not limit or deny coverage for the disputed claim. However, if we prevail in arbitration, the primary provider may not recover payment for services provided after he or she received notice of the request for binding arbitration.

PROOF OF LOSS. Written proof of loss must be given to us within 90 days after the incurred date of the services provided for which benefits are payable. If it is impossible to give written proof within the 90 day period, we will not reduce or deny a claim for this reason if the proof is filed as soon as is reasonably possible. For Eye Care benefits that use either the EyeMed or VSP network, please refer to the limitations section on the Eye Care Expense Benefits page.

TIME OF PAYMENT. We will pay all benefits immediately when we receive due proof. Any balance remaining unpaid at the end of any period for which we are liable will be paid at that time.

PAYMENT OF BENEFITS. Participating Providers have agreed to accept assignment of benefits for services and supplies performed or furnished by them. When a Non-Participating Provider performs services, all benefits will be paid to the Insured unless otherwise indicated by the Insured's authorization to pay the Non-Participating Provider directly.

FACILITY OF PAYMENT. If an Insured or beneficiary is not capable of giving us a valid receipt for any payment or if benefits are payable to the estate of the Insured, then we may, at our option, pay the benefit up to an amount not to exceed \$5,000, to any relative by blood or connection by marriage of the Insured who is considered by us to be equitably entitled to the benefit.

Any equitable payment made in good faith will release us from liability to the extent of payment.

PROVIDER-PATIENT RELATIONSHIP. The Insured may choose any Provider who is licensed by the law of the state in which treatment is provided within the scope of their license. We will in no way disturb the provider-patient relationship.

LEGAL PROCEEDINGS. No legal action can be brought against us until 60 days after the Insured sends us the required proof of loss. No legal action against us can start more than five years after proof of loss is required.

INCONTESTABILITY. Any statement made by the Policyholder to obtain the Policy is a representation and not a warranty. No misrepresentation by the Policyholder will be used to deny a claim or to deny the validity of the Policy unless:

G. Continuation of Coverage Provisions (COBRA)

COBRA (Consolidated Omnibus Budget Reconciliation Act of 1985) gives Qualified Beneficiaries the right to elect COBRA continuation after insurance ends because of a Qualifying Event. The law generally covers group health plans maintained by employers with 20 or more employees in the prior year. The law does not, however, apply to plans sponsored by the Federal government and certain church-related organizations.

i. Definitions For This Section

Qualified Beneficiary means an Insured Person who is covered by the plan on the day before a qualifying event. Any child born to or placed for adoption with a covered employee during the period of COBRA coverage is considered a qualified beneficiary.

A Qualifying Event occurs when:

1. The Member dies (hereinafter referred to as Qualifying Event 1);
2. The Member's employment terminates for reasons other than gross misconduct as determined by the Employer (hereinafter referred to as Qualifying Event 2);
3. The Member's work hours fall below the minimum number required to be a Member (hereinafter referred to as Qualifying Event 3);
4. The Member becomes divorced or legally separated from a Spouse (hereinafter referred to as Qualifying Event 4);
5. The Member becomes entitled to receive Medicare benefits under Title XVII of the Social Security Act (hereinafter referred to as Qualifying Event 5);
6. The Child of a Member ceases to be a Dependent (hereinafter referred to as Qualifying Event 6);

7. The Employer files a petition for reorganization under Title 11 of the U.S. Bankruptcy Code, provided the Member is retired from the Employer and is insured on the date the petition is filed (hereinafter referred to as Qualifying Event 7).

ii. Electing COBRA Continuation

- A. Each Qualified Beneficiary has the right to elect to continue coverage that was in effect on the day before the Qualifying Event. The Qualified Beneficiary must apply in writing within 60 days of the later of:
 1. The date on which Insurance would otherwise end; and
 2. The date on which the Employer or Plan Administrator gave the Qualified Beneficiary notice of the right to COBRA continuation.
- B. A Qualified Beneficiary who does not elect COBRA Continuation coverage during their original election period may be entitled to a second election period if the following requirements are satisfied:
 1. The Member's Insurance ended because of a trade related termination of their employment, which resulted in being certified eligible for trade adjustment assistance;
 2. The Member is certified eligible for trade adjustment assistance (as determined by the appropriate governmental agency) within 6 months of the date Insurance ended due to the trade related termination of their employment; and
 3. The Qualified Beneficiary must apply in writing within 60 days after the first day of the month in which they are certified eligible for trade adjustment assistance.

iii. Notice Requirements

1. When the Member becomes insured, the Plan Administrator must inform the Member and Spouse in writing of the right to COBRA continuation.
2. The Qualified Beneficiary must notify the Plan Administrator in writing of Qualifying Event 4 or 6 above within 60 days of the later of:
 - a. The date of the Qualifying Event; or
 - b. The date the Qualified Beneficiary loses coverage due to the Qualifying Event.
3. A Qualified Beneficiary, who is entitled to COBRA continuation due to the occurrence of Qualifying Event 2 or 3 and who is disabled at any time during the first 60 days of continuation coverage as determined by the Social Security Administration pursuant to Title II or XVI of the Social Security Act, must notify the Plan Administrator of the disability in writing within 60 days of the later of:
 - a. The date of the disability determination;
 - b. The date of the Qualifying Event; or
 - c. The date on which the Qualified Beneficiary loses coverage due to the

Qualifying Event.

4. Each Qualified Beneficiary who has become entitled to COBRA continuation with a maximum duration of 18 or 29 months must notify the Plan Administrator of the occurrence of a second Qualifying Event within 60 days of the later of:
 - a. The date of the Qualifying Event; or
 - b. The date the Qualified Beneficiary loses coverage due to the Qualifying Event.
5. The Employer must give the Plan Administrator written notice within 30 days of the occurrence of Qualifying Event 1, 2, 3, 5, or 7.
6. Within 14 days of receipt of the Employer's notice, the Plan Administrator must notify each Qualified Beneficiary in writing of the right to elect COBRA continuation.

In order to protect your rights, Members and Qualified Beneficiaries should inform the Plan Administrator in writing of any change of address.

iv. COBRA Continuation Period

1. 18-month COBRA Continuation

Each Qualified Beneficiary may continue Insurance for up to 18 months after the date of Qualifying Event 2 or 3.

2. 29-month COBRA Continuation

Each Qualified Beneficiary, who is entitled to COBRA continuation due to the occurrence of Qualifying Event 2 or 3 and who is disabled at any time during the first 60 days of continuation coverage as determined by the Social Security Administration pursuant to Title II or XVI of the Social Security Act, may continue coverage for up to 29 months after the date of the Qualifying Event. All Insured Persons in the Qualified Beneficiary's family may also continue coverage for up to 29 months.

3. 36-Month COBRA Continuation

If you are a Dependent, you may continue Coverage for up to 36 months after the date of Qualifying Event 1, 4, 5, or 6. Each Qualified Beneficiary who is entitled to continue Insurance for 18 or 29 months may be eligible to continue coverage for up to 36 months after the date of their original Qualifying Event if a second Qualifying Event occurs while they are on continuation coverage.

Note: The total period of COBRA continuation available in 1 through 3 will not exceed 36 months.

4. COBRA Continuation For Certain Bankruptcy Proceedings

If the Qualifying Event is 7, the COBRA continuation period for a retiree or retiree's Spouse is the lifetime of the retiree. Upon the retiree's death, the COBRA continuation period for the surviving Dependents is 36 months from the date of the

retiree's death.

v. Premium Requirements

Insurance continued under this provision will be retroactive to the date insurance would have ended because of a Qualifying Event. The Qualified Beneficiary must pay the initial required premium not later than 45 days after electing COBRA continuation, and monthly premium on or before the Premium Due Date thereafter. The monthly premium is a percentage of the total premium (both the portion paid by the employee and any portion paid by the employer) currently in effect on each Premium Due Date. The premium rate may change after you cease to be Actively at Work. The percentage is as follows:

18 month continuation - 102%

29 month continuation - 102% during the first 18 months, 150% during the next 11 months

36 month continuation - 102%

vi. When COBRA Continuation Ends

COBRA continuation ends on the earliest of:

1. The date the Group Policy terminates;
2. 31 days after the date the last period ends for which a required premium payment was made;
3. The last day of the COBRA continuation period.
4. The date the Qualified Beneficiary first becomes entitled to Medicare coverage under Title XVII of the Social Security Act;
5. The first date on which the Qualified Beneficiary is: (a) covered under another group Eye Care policy and (b) not subject to any preexisting condition limitation in that policy.

H. Your Rights under ERISA

As a participant in this Plan, you are entitled to certain rights and protections under the Employment Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

Receive Information About Your Plan and Benefits

Examine, without charge, at the Plan Administrator's office and at other specified locations, such as work-sites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.

Receive a summary of the plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

Continue Group Health Plan Coverage

Continue health care coverage for yourself, spouse or dependents if there is a loss of coverage under the plan as a result of a qualifying event. You or your dependents may have to pay for such coverage. Review this summary plan description and the documents governing the plan on the rules governing your COBRA continuation coverage rights.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your plan, called "fiduciaries" of the plan, have a duty to operate and administer this plan prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Enforce Your Rights

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. If it should happen that plan fiduciaries misuse the plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

Assistance with Your Rights

If you have any questions about your plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling those publications hotline of the Employee Benefits Security Administration.
