Dumas Selected for State Advisory Council

HOUSTON COUNTY, GA – Chuck Dumas, Coordinator of Assessment for the Houston County School District, has been chosen for the Georgia Department of Education (GaDOE) 2020-2021 System Test Coordinator Advisory Council. This advisory council gives the state suggestions on policy, assessment administration, training, and assessment resources.

The selection committee choose Dumas for his support of the state’s testing program and excellent service over the years, as well as his enthusiasm and positive attitude. He has served in the district for over 16 years, to include 6+ years as the assessment coordinator.

Dr. Sandy Greene, GaDOE Director of Assessment Administration, wrote Dumas to say, “We believe you represent the finest of GaDOE values. We are all confident that you have a great deal to offer in contributing to the future growth of the state’s assessment programs.”

Dumas said, “It is an honor to be asked by the state department to serve on the System Test Coordinator Advisory Council. This reflects our district’s commitment to ensure integrity in our assessment program and gives us a voice in guiding the direction of assessments in our state.”

Council meetings are set for Jan. 26 and March 30. Input provided by advisory council members will be shared with GaDOE leadership.

For more information about assessments, please visit the [GaDOE Testing/Assessment webpage](#) or the [district’s Assessment and Accountability webpage](#). Dumas may be reached at 478-988-6200, ext. 3371, or Chuck.Dumas@hcbe.net.
