

Beecher200U – How to Create your PowerSchool Parent Account

If you have only logged in with the “student” account in the past, or have never logged into PowerSchool, you will need to create a “Parent” account to access Online Registration and Contact information and preferences. Please follow the instructions below.

Step 1:

Obtain a parent welcome letter that has Parent/Guardian Access ID and Password for your specific student from the school office.

Step 2: Go to <http://bcsd200u.powerschool.com> . If you have logged into PowerSchool PARENT account before and you don't know your username and password, you can click on “Forgot Username or Password. We will email you a new password reset link.

OR

Step 3: If you have never logged in before, click the create account button

•Be at least 6 characters long

Link Students to Account

Enter the Access ID, Access Password, and Relationship for each student you wish to add to your Parent Account

Student Name	Access ID	Access Password	Relationship
1. <input type="text" value="She Is Mychild"/>	<input type="text" value="parent"/>	<input type="password" value="••••••"/>	<input type="text" value="Mother"/>
2. <input type="text"/>	<input type="text"/>	<input type="password"/>	-- Choose
3. <input type="text"/>	<input type="text"/>	<input type="password"/>	-- Choose
4. <input type="text"/>	<input type="text"/>	<input type="password"/>	-- Choose
5. <input type="text"/>	<input type="text"/>	<input type="password"/>	-- Choose
6. <input type="text"/>	<input type="text"/>	<input type="password"/>	-- Choose
7. <input type="text"/>	<input type="text"/>	<input type="password"/>	-- Choose

Step 5: **You're done!** Just login from the school website at www.beecher200u.org in the future with the information you just setup, just click the PowerSchool link or save it to your favorites. It's a good idea to store this information in a secure location so you will have access to it in the future.
