### **JOINTLY DEVELOPED**

The parents, students, and staff of Quitman County High School partnered together to develop this school-parent compact for achievement. Teachers suggested home learning strategies, parents added input about the types of support they needed, and students told us what would help them learn. Parents are encouraged to attend annual Input meetings held throughout the school year [from August through April] to review the compact and make suggestions based on student needs and school improvement goals. Parents are also encouraged to participate in the annual Title I parent survey that is also used as a tool to collect parent feedback regarding the current Title I programs and policies.

To help your child meet the district and school goals, we will work together in partnership.
