The Honorable Pete Bass  
Mayor of New Milford  
Town Hall  
10 Main Street  
New Milford, Connecticut 06776

Dear Mr. Mayor:

As a follow up to our conversation earlier today, I am writing to inform you that the school system faces the urgent need to make temporary repairs to the New Milford High School roof.

As you know, the roof sustained substantial damage during a severe storm this past May. The roof also has other installation-related deficiencies that require immediate attention. While our maintenance team has done its best to protect the building with tarpaulins, stopgap measures will not suffice as the winter months approach. Therefore, I am requesting that the Town authorize the expenditure of up to \$200,000 for the purpose of securing the damaged roof through the winter and until such time as a permanent repair or replacement plan can be implemented. This expenditure will enable us to avoid further damage to the roof structure, as well as the health and injury risks that can result from the build-up of moisture inside the building.

The school administration is currently contacting area roof repair companies in order to develop a more precise cost estimate and a time line for the proposed work. I will share that information with you as soon as it becomes available.

Thank you for your consideration.

Sincerely yours,

Stephen Tracy  
Interim Superintendent
