

**FurLOW Charter School Scholar Intent to Return for 2021-2022 School Year**

In order for FurLOW Charter School to best plan for and situate the school’s student population, it is necessary for us to identify current student(s) who intend to return for the 2021-2022 school year.

To do such, we ask that you complete the bottom portion of this page OR by responding through the link on our website by listing your scholar’s name and the grade he/she will be in next school year and then checking either YES, NO or UNDECIDED regarding whether you intend for him/her to continue enrollment at FurLOW Charter School for the 2021-2022 school year.

Once completed, please send the form to school with your scholar, if you choose not to complete the survey online. **If your scholar has a sibling not currently enrolled at FurLOW Charter School who you would like to enroll next year, please list that child’s name on this intent form, so we may provide appropriate Preferential Enrollment Status during the upcoming lottery process.**

New siblings must follow the same enrollment protocol by filling out the FurLOW Enrollment Application and submitting required documents. Sibling preference is defined as children who share at least one common biological or legal parent whether through natural or adoptive means. Children who are legally under the guardianship of the biological or adoptive parent may be considered siblings, but legal documentation must be provided.

Please recognize that we need to have this information to us no later than February 17, 2021.

Thank you, in advance, for attending to this administrative matter.

For the Falcons,

Dr. Lezley B. Anderson, Executive Director

**PLEASE CHECK ONE OF THE FOLLOWING NEXT TO YOUR CHILD’S NAME:**
