We would love your help to make this testing experience positive and successful for your child. Here are some ways that you can help your child at home:

- Make sure your child gets a good night's sleep
- Make sure your child eats a healthy breakfast, or gets to school early enough to eat breakfast in the cafeteria
- Encourage your child to try their best everyday

Thank you so much for your continued support. It is greatly appreciated. Remember to encourage your child to relax and do their best on the test. Please email or call Sister Cynthia with any questions or concerns. Thank you.
