Franklin, you have done a huge disservice by not doing more investigation into Chick-Fil-A's betrayal and capitulation to the LGBT agenda. While Dan Cathy may say the company has the same values, the company's statements and actions tell a different story.

POWER 88 IS RADIO WITH A VISION

Kenny's E-blast

A few weeks ago we asked for your feedback when planning on our Christmas Music programming and you really came through! Many of you let us know how much Christmas music you wanted to hear us play. The vast majority of you didn't want us to play an all Christmas music format until closer until Christmas Day. We've listened to you and we've decided to play a mix of Christmas Music and our regular format until December 14th. We'll have Christmas Music weekends for the month of December as well. Thanks to the many of you who voiced your opinion! One of the great things about being a local ministry is that we are able to hear directly from our listeners and adjust to how you want this station to sound. Here are some of the brand new Christmas songs we're going to play starting this year. Keep an ear out for them!

Here Comes Heaven – Elevation Worship
