

## **Parents/ Guardians,**

It's that time of year again for our annual sports' banquet. As we are all well aware, this year has looked differently in MANY aspects. We would like to thank you all for being so patient and understanding as we have navigated our way through this uncertain year. We are certainly grateful that we got to have a season for our basketball players and cheerleaders.

With all of this being said, we have had to make the decision to have an in-school banquet for our basketball and cheerleading athletes. The banquet is being held this way due to our lack of funding, resources, and limitations due to COVID. Please understand that this year has brought a lot of uncertainty and change for us all, and we are all having to adapt with the changes this year.

The banquet will be on April 6th, Tuesday from 1:30-2:50. We will have the awards ceremony, refreshments, and then allow the athletes some free time amongst each other. Students will be excused from their classes for this event. We will be recording the awards portion, and uploading the video to both our Facebook and school website pages for you all to view at a later time.

Please contact Tori Campbell with any questions or concerns you might have, and thank you for your support and understanding.
