Free and Reduced Lunch Forms: Parents please fill these out and send back to the school as soon as possible. This is for our virtual students as well. We receive federal funding which allows for your child to have more technology at school, programs, and SO MUCH MORE. Turning in these free and reduced lunch forms is crucial to the school continuing to receive those funds that go directly back into the classroom. Application is on school website.

Thank you **Pleasant Hill Baptist Church for your generous donation of school supplies for our students.

Supporting *Leader in Me* at Home

As the school year unfolds, our students are learning the language and meaning of the 7 Habits. By hearing the same language at home and at school, you send your child a message of what is important and that we are all on the same team—the team that wants to help your student succeed. When parents and schools support one another, the sky is the limit!

Below is a summary of each of the habits:

- Habit 1: Be Proactive (I'm Responsible for Me)
- Habit 2: Begin With the End in Mind (Have a Plan)
- Habit 3: Put First Things First (Work First, Then Play)
- Habit 4: Think Win-Win (Everyone Can Win)
- Habit 5: Seek First to Understand, Then to Be Understood (Listen Before You Talk)
- Habit 6: Synergize (Together Is Better)
- Habit 7: Sharpen the Saw (Balance Feels Best)

In order to encourage the 7 Habits language at home, here are some questions you can ask your child:

- How were you proactive today?
- What is your end in mind with this project/work/task?
- How do you plan to put first things first in this situation?
- What would be a win-win for us?
- I want to hear what you think first and then I will share. How do you know when you are being listened to?
- How can we work together on this?
- How would you like to sharpen your saw today?
