Five school days after the best interest determination has been made, the district of residence must make arrangements for, and pay the cost of the transportation, wherever the child attends school. The district of residence is determined according to the following:

- A. Placement in a resource family home:
 - 1. When a child was placed in a resource family home prior to September 9, 2010, the district of residence shall be the district in which the resource family parents reside. If such a child in a resource

family home is subsequently placed in a State facility or by a State agency, the district of residence of the child shall then be determined as if no such resource family placement had occurred;

2. When a child was or is placed in a resource family home on or after September 9, 2010, the district of residence shall be the present district of residence of the parent or guardian with whom the child lived prior to the most recent placement in a resource family home.

Tuition

- A. When a student is transferred into this district and his or her district of residence is other than this district tuition shall be assessed and the business administrator shall be responsible for the following, including but not limited to:
 1. The calculation of the tuition rate according to all the provisions of N.J.A.C. 6A:23A-17.1 describing the method of determining the tuition rate including the calculation of the actual cost per student, the estimated cost per student, and the estimated daily average enrollment;
 2. Obtaining certification of the actual cost per student for each tuition category for a given year from the Commissioner;
 3. Establishing by written contractual agreement with the district of residence, a tentative tuition charge for budgetary purposes;
 4. Using the forms prepared by the Commissioner of Education for certification of the actual cost per student for each tuition category for contracts, and for establishing the estimated cost per student for each tuition category for the ensuing school year;
 5. When necessary and appropriate preparing proof that the charge for the use of the school facilities is not adequate and submitting it to the Commissioner for approval of an additional charge for the use of school facilities school facilities.
- B. When this district is the district of residence responsible for paying the student's tuition, the business administrator shall be responsible for the following, including but not limited to:
 1. Verifying all the receiving district's documentation related to the calculation of tuition;
 2. Taking the appropriate actions to ensure that the payment of tuition is expedited promptly;
 3. Making the necessary budgetary adjustments to account for district expenses related to tuition.

If the district of residence cannot be determined by DCF, or if a district of residence is outside of the State, or if the child has resided in a domestic violence shelter or transitional living facility located outside of the district of residence for more than one year, the State shall assume fiscal responsibility for the tuition of the child. The tuition shall equal the approved per student cost established by law (N.J.S.A. 18A:7F-24). This amount shall be appropriated in the same manner as other State aid. The Department of Education shall pay the amount to the Department of Human Services, the Department of Children and Families, the Department of Corrections or the Juvenile Justice Commission.

In the case of a homeless child or a child in a family resource home, the Department of Education shall pay to the school district in which the child is enrolled the weighted base per student amount calculated according to law (N.J.S.A. 18A:7F-49) and the appropriate security categorical aid per student and special education categorical aid per student.

If the State has assumed fiscal responsibility for the tuition of a child in a private educational facility approved by the Department of Education to serve children who are classified as needing special education services, the Department shall pay the tuition to the Department of Human Services, the Department of Children and Families or the Juvenile Justice Commission, as appropriate. In addition, the Department of Education shall pay such aid as required to make the total amount of aid equal to the actual cost of the tuition.

Transportation

The child's district of residence is required to provide for transportation of the child to and from school. When this district is the district of residence as defined by law and board policy (5118.2) the following procedures shall apply:

- A. The liaison shall notify the business administrator and/or transportation director of any changes affecting the student's transportation arrangements;
- B. The business administrator and/or transportation director shall determine if the child is eligible for transportation services and arrange for those services;
- C. To ensure a smooth transition, DCP&P shall be responsible for the provision of, and payment for, transportation for the first five days after the placement decision is made;
- D. The district liaison shall cooperate with the DCP&P caseworker in arranging transportation to and from the school district that the child attends based on the best interest determination at the same time that DCP&P provides its notification. If the child is eligible for transportation and the district agrees to arrange and provide the transportation, the district shall bill DCP&P for the transportation costs for the first five days after the placement decision;
- E. Beginning on the sixth school day after a child's educational placement is determined, the child's district of residence shall be responsible for the provision of any mandated transportation services. Should the district be unable to provide the transportation service at that time, DCP&P will continue to provide transportation and shall bill the district for the additional service;
- F. Problems regarding the arrangements for required transportation shall be referred to the County Office of Education. If the matter cannot be resolved with the assistance of the county office, DCP&P educational liaisons should contact the DCP&P Statewide Educational Stability Administrator.
