We are so excited to be Back at School!

We hope you all had amazing summers, and we are all so ready to have a great school year.

New Info:

-This year, our monthly guidance lessons will go along with the Core Essentials Big Ideas! Your students will also be learning more ways on how to put those topics into action in our new STEM lab rotation.

Back to school – it doesn't seem like the time to talk about the end of the year, but we believe that **EVERY WEEK COUNTS!** There are only about 36 school weeks this year, and every one is important. Because we think your children have enormous potential as thinkers and decision-makers, we'll focus this month on the Big Idea of...

WISDOM:

Finding out what you should do and doing it.
