

Southwest Georgia STEM Charter School
Policy P6: Conflicts of Interest
Adopted: October 22, 2020

No employee of Southwest Georgia STEM Charter School shall engage in or have a financial interest, directly or indirectly, in any activity that conflicts or raises a reasonable question of conflict with duties and at the school. Staff members shall not engage in any type of private business during school time or on school property. Staff members shall not utilize school materials, inventory, or any other item owned by the School in the conduct of a private business. Staff members shall not purchase items for private use in conjunction with orders for materials or services purchased by the School. Any discounts received on purchases made on behalf of the School shall accrue to the benefit of the School. No staff member shall use his/her position with School to influence any business transaction in which the system is not a party. Employees shall not engage in work of any type where the information concerning customer, client, or employer originates from any information available to the employee through school sources.
