

- Click on the e-Link button on the school system website, or enter the following address in your Web browser: <http://transportation.coffee.k12.ga.us/elinkrp>
- At the logon screen, enter **guest** in both the User Name and Password fields and click the **Login** button.

- Step 1 • Select the current grade level of your student by clicking on the drop-down box.
- Step 2 • Enter your street address number, street name, and zip code in each box as indicated. Then click the Find School/Transportation Info button, and the e-Link system will retrieve transportation information for your student.

Important: If you get the message **“The home address could not be automatically located on the map”** or **“Home Street not found – closest matches”** then choose your street in the drop-down box and click [Use Selected Match](#) link to the right.
