Board Approval of Revised  
2020-21 School Year  
Calendar

Tim had some questions for Mr. Lackey. What is the plan if the Governor decided to extend this plan beyond September 8<sup>th</sup>? Mr. Lackey said that we would start at this time regardless, he did not think we could push it back beyond that. What kind of discussions has Mr. Lackey had with parents and community regarding this new calendar? Mr. Lackey responded that there was none, he had discussions with staff members. He felt that the feedback and concerns from parents/ community would be along the same lines as the staff. He thinks he has a pretty good feel on what their opinions would be and they would be all over the board and he felt that he should move forward to best benefit our students. Eileen asked Nacona if she had any questions since she joined late. Nacona asked if it jeopardized the 4 day week in any way and Mr. Lackey responded that he did feel it would in any way. He talked about some of the Fridays that we are not attending school. Eileen asked how many Friday's are involved, Mr. Lackey responded that there are around 10 or and 3 days in June, so and they will all be early release days for students and staff would remain until regular time to get caught up on things or collaborate. Nacona asked when we would be starting if the Governor changes things and Mr. Lackey said that we would still start on the 8<sup>th</sup> and move forward to the best of our ability. There were about 3 staff members that wanted to come back in August and the rest felt pretty strongly about

returning in September, it was not unanimous, but waiting was the wisest choice at this point. Eileen asked if there were any other questions and there were not. There was a motion by Michael and seconded by Tim to approve the revised 2020-21 school year calendar. Motion carried 4-0.

Adjournment

There was a motion by Tim and seconded by Michael to adjourn the meeting. Motion carried 4-0. The meeting was adjourned at 8:21.
