

Foundations of Arts, Audio-Video Technology, and Communication

Christie Johnson, Tech-1

christie.johnson@acboe.net

What Do I Need?

- ★ Headphones** must plug into computer
- ★ Pen/pencil
- ★ Notebook, 3-prong folder, or spiral notebook
- ★ Paper

- ★ **Foundation of Arts, Audio-Video Technology, and Communication** is a one-credit course designed to introduce students to the areas of advertising design, animation, commercial photography, graphic arts, and television production. Classroom, laboratory, and real-world experiences promote teamwork, leadership, and further opportunities for application of knowledge and skills.

TOPICS OF STUDY

- ★ Advertising Design
- ★ Animation
- ★ Commercial Photography
- ★ Graphic Arts
- ★ Television Production

\$40

This includes:

- **\$25 lab fee** which is required and due by the first 9 weeks.
- **\$15 SkillsUSA dues** for membership in the state and national SkillsUSA organization. SkillsUSA is a partnership of students, teachers and industry working together to ensure America has a skilled workforce. SkillsUSA helps each student excel. We provide educational programs, events and competitions that support career and technical education (CTE) in the nation's classrooms.

How Am I Graded?

65% Major

Tests & Projects

35% Minor
Classwork

No Electronics!

Unless you are using a phone or headphones as part of an assignment - Cellphones, earbuds, electronic games, and all other electronics should not be seen or heard during class. Breaking policy will result in disciplinary action.

How Can I Be Successful?

Always Read the Board

Daily agenda and assignments, will be there. Check it as soon as you enter the room.

Log in Immediately

Log in as soon as you enter the room and be prepared to start the day.

Complete Work On Time

The purpose of the work is to help you master concepts and to learn to meet deadlines. Turn in as directed (paper, google classroom, etc.).

Be Attentive and Ask Questions

Listen and participate, but if something is unclear, ask your teacher or neighbor for help.

Always make an effort

Doing nothing will get you nowhere. Always try!

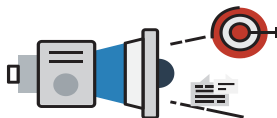

“Education is the most powerful weapon which you can use to **change the world.**” - Nelson Mandela

My Expectations

- ★ Be on time.
- ★ Be positive
- ★ Be ethical
- ★ Be courteous
- ★ Be proactive
- ★ Be ready to work.
- ★ Act professionally
- ★ Stay on task
- ★ Respect everyone and their belongings
- ★ Personal drama stays out of the lab
- ★ Dress appropriately following school policy
- ★ Follow school policy/procedures
- ★ Complete all work when I am out

A GOOD ATTITUDE!

Attitude is everything, so pick a good one.

*Communication
is Key!*

I can't read your mind, so be sure to communicate! Ask questions if you do not understand an assignment. Make-up work will be in the make-up bin, but ask if you can't find it.

Restroom Use

Restroom breaks are allowed with permission, but should not be abused. Consistent abuse can result in conference.

Learning through online resources

Students will use:

- ★ Google Classroom – this platform allows students to use google docs, sheets and slides, read online assignments and submit work online. Accounts are setup through the school system.
- ★ Online courses such as Adobe Sparks and Adobe Exchange
- ★ All student activities are monitored by the instructor

Actions not allowed in the lab

- ★ Food, drinks, or gum
- ★ Touching another students computer and accessories
- ★ Going to sites that are not related to the classwork
- ★ Streaming of videos, movies, or music
- ★ Roaming around the lab
- ★ Standing at the door before bell rings
- ★ Touching another students belongings
- ★ Moving to another seat without permission
- ★ Switching chairs
- ★ Disconnecting computer, keyboards, and mouse without permission
